

Cape St. Claire Improvement Association, Inc. Community Newsletter

MAY 2015

PRESIDENT'S MESSAGE

*Strawberry Festival
Edition*

Dear Capers,

Spring finally sprung, the Cape has been busy this past month and that won't slow down as we head into our best season of the year, summer! We were founded as a summertime community and we still have some of the best private beaches & parks that Anne Arundel County has to offer. In order to keep things that way, we need the help of our residents. The Board of Governors (BOG) and its committees have been busy getting ready for the busiest season. The 8 BOG members and CSCIA Staff can't do it all. We have to rely on volunteers and I am asking for your help! I am going to lay out some specific areas where we need assistance, so if you see something that interests you, contact the Governor in charge.

First, the Strawberry Festival Committee needs more helping hands. This is by far the largest event in the Cape. Mary Lamb and her crew could use some help: The Festival is Sat. June 6th. She could use help on both Friday, June 5th and Saturday, June 6th in the following areas:

- **Festival set-up and take down, individuals with strength to help put up our fences, tents, stations for the kitchen and clean up and set up the day before.**
- **The kitchen for berry cutting, prep and serve.**
- **Help throughout the day with trash, clean-up and parking**

Get to know your neighbors by helping out in our largest community annual event. Please see information about the Strawberry Festival here: <http://cscstrawberryfestival.com/> and contact Mary Lamb for volunteering opportunities here: mary@cscstrawberryfestival.com

Second, in order to have the Strawberry Festival on our property, we need to do a spring cleaning. We are busy doing this now, but Scott Dembowski, could use some assistance getting the Clubhouse Fields and Main Beach looking good on Friday June 5th. We also have some other areas and parks that we want to focus attention on this spring too, so if you are interested contact Scott at parks@cscia.org

- **June 5th – Strawberry Festival Prep**
- **Work Projects at Little Magothy Park**
- **Work Projects at the Deep Creek Playground**
- **Work Projects at Main Beach**
- **Ongoing work in the Lake Claire restoration efforts, contact Jennifer Vaccaro at erosion@cscia.org**

Third, our Events Committee could use assistance in planning for and helping during our 4th of July Parade and games at the Main Beach & Clubhouse. Contact Dawn Myers and Jennifer Vaccaro at events@cscia.org to get in on some patriotic fun in Cape!

In this issue:

- ◆ *President's Message*
- ◆ *Board in Brief*
- ◆ *Strawberry Festival*
- ◆ *Christ Our Anchor Presbyterian*
- ◆ *Friends of Lake Claire*
- ◆ *CrossPointe Church*
- ◆ *St. Andrew's By the Bay*
- ◆ *CSC United Methodist Church*
- ◆ *Goshen Farm*
- ◆ *Garden Club*
- ◆ *Epiphany Community*
- ◆ *Cape'Ness Nutrition & Fitness*
- ◆ *Broadneck Baptist Church*

Lastly, some housekeeping items:

- It's May, do you have your 2015 stickers & guest pass? Did you put them on your car yet? If you have not received them, you either haven't paid your Lot Maintenance Fee for 2015 which was due in March 1st or you did not complete all necessary information as requested. Contact the office and speak with Leslie at 410-757-1223. Also reference our website FAQ for more information: <http://cscia.org/frequently-asked-questions/>
- With use of the beaches and parks comes certain rules, review the updated policies and look for new updated signs the each location soon! Find information on our website: <http://cscia.org/cscia-services/beaches/>
- Want to use the boat ramp? Put your stickers on your vehicles or use your guest pass. The guest pass is not valid for trailering at Deep Creek on Fri, Sat. & Sun. from May 22nd – September 8th, 2015.
- Towing Enforcement has begun at all beaches and parks locations as announced last month.

I look forward to seeing you around the Cape at one of our many events. If you have an idea, suggestion or constructive criticism on how we as an Association can help improve our community, our properties and our events, feel free to email me at President@cscia.org . The best way to make improvements though, is to volunteer and help make a difference in the Cape!

Best wishes,

Beau Breeden
President CSCIA

BOARD IN BRIEF

April 13, 2015 - President Breeden called the meeting to order at 7:30 P.M. He offered well wishes to Corporal Larry Adams. He said it has been a busy month, with stream clean up, dealing with graffiti at the shopping center, and working with community service youth. He said he had been to a meeting regarding the new grocery store which will be moving into Bay Hills Shopping Center this fall. He also met with Sarah Gannon of County Constituent Services today,

The minutes of March 9, 2015 were approved.

The final Profit and Loss statement of February 28, 2105 was approved.

COMMITTEE REPORTS:

Beaches and Parks: Governor Dembowski reported that Juniper bushes have been removed from the clubhouse field to facilitate more parking. The first of several new solar powered lights has been installed on the Lake Claire Fishing Pier. Graffiti was removed from several areas and the pump house behind the shopping center was painted over. A deposit was placed for phase 2 of the main beach renovation project, with that work scheduled to be completed by May 8th. Interviews for the final beach attendant positions will be held by the end of April. New rules and regulation signs are coming, to be posted at all of our beaches and parks. There has been quite a bit of brush clearing at Little Magothy Beach and at Swan Pier.

Erosion Control: Governor Vaccaro reported that under the leadership of Brad Knopf and Al Todd, over 40 volunteers removed over 4,000 pounds of trash from Cape streams on Saturday, April 11th as part of Project Clean Stream. The property owner of 1019 Lake Claire Drive has agreed to participate in the Friends of Lake Claire reforestation project funded by the DNR grant. Invasive removal will begin on April 24th, followed by opportunities to plant trees, shrubs and ground covers. Efforts to burn the phragmites at Lake Claire on April 4th were foiled by high winds. We are in the process of arriving at a new burn date. Friends of Lake Claire Steering Committee will meet on the 16th to review the final draft of the bylaws, mission statement and new name. Once these items are agreed upon by the full committee they will be submitted to the attorney and the group will obtain formal legal status as a 501(c)3 non-profit entity.

Treasurer: Governor Myers said that most of our expected income has been received.

board in brief continued.....

Events: Governor Myers said the 4th of July parade permit has been applied for. She will try to put together a spring bonfire on the beach and will be holding a July 4th planning meeting soon.

Clubhouse: Governor Lamb said that a few incidents over the past month have resulted in a re-evaluation of the terms of the contract as they relate to clean-up and damage. She has applied for the building permit for the shed and hopes for a mid-May delivery. She has contacted BGE and met on-site to evaluate the lighting (existing layout, removal of poles and proposed lighting).

Caper: Governor Lamb said the Caper continues to struggle with timely submissions. The contracts for FY2016 are being prepared and will be mailed in early May.

Strawberry Festival: Governor Lamb reported that all aspects of the Festival are in place.

Covenants: Governor Snow said that he had 10 covenant-related calls in March and 1 in April.

Communications: Governor Snow had nothing new to report.

Technology: Governor Szczytko said that the beach attendant job inquiry has been put on the website, along with the road update. He has created a CSC news page, a zoning and covenants page, and has almost finished a Strawberry Festival page.

Budget: Chairman Buchet said there will be Budget Committee meetings in May, June, and July. The committee inquired about helping the Board come up with a budget.

Buildings: Governor Breeden said he continues approving permits, and there continues to be about a two week turn around. He has met onsite for a few previously issued permits from 2014 where differences exist between new construction and old neighbors to attempt to settle any misunderstandings.

Security: Governor Breeden said we were alerted to two small fires lit on Community Property that the fire department took care of. There is now surveillance in the area. Otherwise, he said, things on community property

Thank You For Your Referrals

Mona Sponsors the Moon Bounce!

At the CSC Strawberry Festival

Come and have a great time as we celebrate **28 years** of helping others in the Broadneck Real Estate market! Along with all of the crafts, food and games we will have two **Moon Bounces** again! See you there across from the club house at the main beach on Saturday June 6th!

board in brief continued.....

had been quiet with the exception of an illegally docked boat at Little Magothy Piers.

Piers: Governor Breeden said a Piers Committee meeting discussed mud slip offerings, wait list adjustments, and move list adjustments. There were 20 new contracts this year, along with 14 new mud slips and dropping 14 off the wait list. They discussed ongoing maintenance and water hook up for the season at Deep Creek and Lake Claire, both sections requiring replacement of pipes to be due to a harsh winter and late winterization of pipes. The cost for electricity was also discussed. Volunteers helped pull the bubbler system prior to April 1st. He said that billable revenues are in line at this time and they will be reviewing cost containment practices, along with the scheduled 5 year plan for capital improvements.

Roads: Governor Breeden has talked with Kathy Sharp from the County. The road work on CSC Road began again on April 6th. Information will be published via social media and our website. There are plans to pour the new foundation for the guardhouse in May and then move it. Governor Breeden commented that he stressed to the County his desire for the road project to be completed this year.

Mosquito Control: Governor Breeden said the application was submitted and accepted by the State for annual summer spraying.

OLD BUSINESS:

Governor Vaccaro noted that she had sent all Board members the new Friends of Lake Claire bylaws to look at before the FLC meeting on Thursday.

NEW BUSINESS:

Governor Dembowski said he'd received a request from a resident who works at National Geographic to film an animal-based short documentary at the inlet of the Little Magothy and asked if there were any objections from the Board. None were forthcoming and filming will take place on April 16th.

It was moved and passed that the Friends of Lake Claire be made an officially recognized organization of the CSCIA.

Governor Szczytko brought up the issue of the CSCIA taking on-line payments for things like the signboard, maintenance fees, slip fees, and clubhouse rental. There are many issues that need to be worked out, such as convenience fees and late fees..

Governor Breeden noted that there is a property on Hillendale that has repeatedly asked to be exempt from mosquito spraying, effectively preventing the entire street from being sprayed. He presented a petition signed by 21 of the 22 other residents asking that the State override the exemption. Residents cannot request an override; it has to come from the Board. It was moved and passed that the Board support the petition as written. There was further discussion of mosquito spraying and it was thought that we could have someone from State Agriculture come to the July meeting to explain the program and educate people.

Governor Breeden mentioned that the County wants to do a 20 minute segment about Cape St. Claire to run on Anne Arundel TV, which we can then upload to our website. He noted that Sarah Gannon will be at the April quarterly meeting.

COMMENTS:

Office administrator Coble had a question about the beach attendants' calendar and their ability to see when the Clubhouse was being rented for private parties.

ADJOURNMENT:

The meeting was adjourned to a closed session at 8:40 P.M.

CLOSED SESSION:

A closed session was convened at 8:45 P.M. and adjourned at 9:15 P.M.

MEMBERS PRESENT:

Governors Breeden, Dembowski, Lamb, Myers, Snow, Szczytko, and Vaccaro were present. Governor Small was absent. Also present were Budget Committee chairman Buchet and member Toy.

2015 STRAWBERRY FESTIVAL

Saturday June 6th • 10am - 7pm • Main Beach

Parade Kicks off the Day's events at 10:00 AM from the Cape St Claire Volunteer Fire Department!!!!

As a Cape St. Claire resident you quickly realize that summer begins with the Strawberry Festival. This age old event seems to become more and more popular each year. A day filled with a Parade, Music (7 Bands), Food, Games, Crafters, Contest, Pony Rides, K9 demos, a Silent Auction and Strawberries in many forms, is on tap for this year's festivities.

We are so excited to bring back our newest features to the festival this year. We will have the traditional Moon Bounces, an Obstacle Course, Pony Rides in the Corral, Face Painting, a Coloring Contest, Dunk Booth, Soak –a – Scout, Sand Art, Bike Demo, K-9 Demo, Martial Arts Demo, Dance Demo, Games, Pizza, Pit Beef, Hamburgers, Hot Dogs, Snow Balls, Smoothies, Strawberry Baked Goods Contest, Strawberry Jam/Jelly Contest, THE BEER GARDEN, Decorated Bikes, Berriest Baby, and the Princess Contest. Details and Contest Forms for all of these events are located in this publication of the Caper or online at www.cscia.org. You can also visit <http://cscstrawberryfestival.com>.

If you would like more information about this event please contact Mary at 410-757-0593.

Pray for SUN!!!!

We hope to see you there!!

2015 CSC Strawberry Festival

“Strawberries from the Kitchen Contest”

Enter your favorite Strawberry Dessert and /or Jelly/Jam

Do you have a Special Recipe, a Family Favorite? The Strawberry Festival Committee would like to invite you to enter your **HOMEMADE** Strawberry Themed Baked or Non-Baked Dessert or Jelly/Jam. All entries must be accompanied by the baker's information and an ingredient card for display. Entries should be dropped off at the clubhouse on June 5, 2015 between the hours of 5pm and 7 pm. Homemade goods will be displayed in the clubhouse on Strawberry Festival Day. Prizes will be awarded for the following;

- Desserts will be Judged as follows:
 - 2 categories:** Baked & Non Baked
 - 2 groups:** Adults & Children (14 and under)
- Jelly/Jams will be Judged as follows:
 - 2 groups:** Adults & Children (14 and Under)

All entries must be accompanied by the baker's information and an ingredient card for display. Entries should be dropped off at the clubhouse on June 5, 2015 between the hours of 5pm and 7 pm. Please call Mary at 410-757-0593 for further information.

Strawberry Festival Parade Challenge

Saturday June 6th

Gather your neighbors, your church group, your scout troop, and your friends. The Strawberry Festival would like to increase parade participation. We challenge your “group” to create a parade float entry for judging. Let's bring the community together for another great event and make this the best parade ever. The parade begins at 10:00 am at the Cape St. Claire Fire Department. If you are interested in entering a float for judging please email Mary at capermanager@cscia.org with your details!!!!

All are welcome to join us on Sunday June 28th for our VBS celebration! Children will share some music from the week and are asked to dress in their VBS shirts

For Ages: 4 years old through 5th Grade

Registration Fee: \$25/child, \$15 each additional sibling, \$55/family for 3 or more children

Make checks payable/mail to: Christ Our Anchor Presbyterian Church, Attn: VBS Leaders, 1281 Green Holly Drive, Annapolis, MD 21409.

For registration form or questions, call (410) 974-1713 or email: coachurch@verizon.net.

Forms also available on www.christouranchorpc.org

June 6, 2015 Please stop by our Kids (Free) Craft Booth at The Cape St. Claire Strawberry Festival. You are to have a "Berry" Good Time!

A Nonprofit is Born!

Friends of Lake Claire is very excited to announce big changes for our organization! Our Founding Board members voted unanimously on April 16th to adopt Articles of Incorporation, Bylaws and a Mission/Vision statement for our newly formed nonprofit: **Cape Conservation Corps, Inc.** This new name captures the spirit of our volunteers and welcomes **all** of Cape St. Claire to participate for the benefit of the whole neighborhood. Future projects will be located throughout the neighborhood in the coming years, rather than limited to the Lake Claire drainage area.

We are currently in the process of creating a website where you will be able to view photos of our projects, get information about upcoming events and make a tax-deductible donation to our efforts! Be sure to visit our table at the Strawberry Festival on June 6th to vote for your favorite new logo! As a nonprofit organization we are accepting official members. Our yearly dues are \$20 per person, and will help us to fund the work that we are doing in the neighborhood as well as minor administrative costs. **Please join us for our FIRST annual membership meeting on June 10th at 7:00pm at the Cape St. Claire clubhouse!**

Progress in the Reforestation Area

We are excited to welcome over 500 students from Broadneck High School at the beginning of June for a week of planting! Students from US Government classes will be earning service hours planting trees, removing english ivy, mulching, etc on several reforestation sites along Lake Claire Drive. We are also excited to welcome the property owner of 1019 Lake Claire Drive to our reforestation efforts. We began clearing invasive vines from that property in April, and planting will begin in June on that site.

Phragmites

We had our third annual controlled burn on April 18th, and it was our most successful yet! The weather was perfect, volunteers were plentiful and we burned a large area. We would like to extend a very special "THANK YOU" to the Cape St. Claire Volunteer Fire Department for their help with the burn. Without their expertise we would never have been able to accomplish so much! You can view photos and video of the pyromania on our Facebook page.

We will be ordering a wetland seed mix from Ernst Seed Company to encourage new growth of beneficial plants in the areas burned. Stay tuned to our Facebook page and email list serve for upcoming seed-scattering opportunities!

Jack Anderson uses his flame weeder to burn Phragmites

Project Clean Stream

Congratulations to Brad Knopf, Al Todd and the over 40 volunteers who hauled over 4,000 pounds of trash out of our Cape streams on April 11th. It was great to see so many Girl Scouts, Boy Scouts and volunteers of all ages enjoying a beautiful day improving their community! Check out our Facebook page for photos of the event.

For more information or to join our efforts, please contact Jennifer Vaccaro: LakeClaire@comcast.net OR Join our group on Facebook: Friends of Lake Claire

EXPIRES 6-30-2012

News from Goshen Farm Preservation Society

As promised last month, we want to share with you the history of Goshen Farm. The following article was written by Elisabeth Sloane, a local writer and volunteer with the GFPS. It is based on the research of Scott Powers, GFPS Research and History Chair. We hope you enjoy this and future articles on Goshen.

History in Our Back Yard

Whenever most people think of history, they usually think of lists of names, dates, old books and hours upon hours of dry lectures. But as I grew up, I began to realize that history is not confined to a book. It is in our midst. In many ways, it defines who we are today.

The first known owner of Goshen Farm was Henry Woolechurch. His first appearance in the land records of Anne Arundel County is in November 1653, when he bought the land of Richard Young along Deep Creek and the Magothy River. He very likely participated in the Battle of the Severn in 1655. In 1662 Henry was granted the land that would be called “Leonard’s Neck”, presumably named for Leonard Calvert. In 1669, the 290 acres that comprised “Leonard’s Neck” was assigned to Alexander Gardiner and John Wray. John Wray’s portion was eventually purchased by John Pettibone Gardiner in 1754 and became Goshen Farm. Thus Goshen Farm was “born” more than a hundred years before the Declaration of Independence in 1776 and included most of what is now Cape St. Claire. The house that sits on the property today was first built by John Pettibone Gardiner’s son, Richard Gardiner, sometime around 1783, making the structure almost as old as our nation and one of the oldest in Anne Arundel County.

The Gardiners came from England, originally settling in Virginia in the early 1600s before they came to Maryland. Settlers came to America for many reasons; a better life, the ability to own land and freedom from religious oppression from European governments. For people like the Gardiners, America was a land rich in opportunity.

By the time the Goshen Farm House was built, America was vastly changed. No longer loyal colonies of the English crown, 1783 saw the closing of the American Revolution with England acknowledging independence for a new nation. Originally, Richard and his wife Ann lived at the farm with their five children, Richard Jr., Charles, Henry, John and Joshua, and as many as twelve slaves. The house, which still stands today, was built of rough-hewn wood. As middle class farmers, the Gardiners grew much of their own food and raised their own livestock, but their early cash crop was tobacco. Life on the farm was simple. Fireplaces in each of the four rooms provided all the heat for the family while candles provided light. No running water meant that water came from the well, which you can still visit, at the back of the house.

What makes Goshen Farm so special is the sheer volume of history it has witnessed. The now 22 acre property sits tucked away in plain sight and if you’re anything like me, you might drive past it hundreds of times and never know it was there. But, a couple of weeks ago, as my car bumped up the winding dirt driveway on a cold March morning, I realized that this place is very much like so many others. Goshen Farm is our story, and like so many other stories, it is in danger of slipping away.

The Goshen Farm Preservation Society is committed to protecting not only the farm, but the history, opportunities and lessons that it teaches so that our children will not simply read about this part of our story, they will see it and experience it. Please come and visit us at www.goshenfarm.org.

A special thanks to Scott Powers and Barbara Morgan for all their research to make this article possible.

GARDEN CLUB

Greetings, Fellow Capers!

Can it be that Spring has finally sprung? The Cape St. Claire Garden Club thinks so, and we invite you to visit our:

Annual Plant Sale

Saturday, May 16, from 8 a.m. until 2 p.m.
at the corner of Broadview and Cape St. Claire Road.

The sale features plants grown in our own Cape gardens, as well as herbs, vegetables, natives and hanging baskets. The prices are great and there will be very knowledgeable people around to answer your questions about our offerings. What greater way to honor the hope of Spring, than to plant a garden? Come out and meet us or come to our meetings, the first Tuesday of the month at 7p.m., at the Cape St. Claire clubhouse. We welcome everyone! And, once again, it's time for our Yard of the Month program! This long winter has taken its toll, but the following Capers showed the true spirit of Spring!

Congratulations to our April winners:

- Area 1 Glen Millones
1062 Park Circle
- Area 2 The Kings
1154 River Bay Road
- Area 3 Elizabeth Wnorowska & Ewa Cebollero
961 Highpoint Drive
- Area 4 Jeanene Winkler
1208 Hilltop Drive
- Area 5 Roy & Becky Benner
1206 Green Holly Drive

Submitted by Jeanne Klingler

EPIPHANY COMMUNITY

The Easter celebrations were wonderful! We were delighted to help out the Chrysalis house this Easter season. The celebrations will continue with a special mass and reception welcoming back Fr. Bernardi. All are invited to come! We celebrate mass every Sunday right here in the Cape St. Claire Clubhouse at 9:30am. Next month, on June 6th, we will have a fun booth at the Cape St. Claire Strawberry Festival!

***Late fees apply for
overdue Lot Fees***

***2015-2016
Stickers should be
displayed on vehicles May 1st***

CAPE'NESS NUTRITION & FITNESS

It's time to start thinking about swim suit season! Are you ready? Come join us on Thursday mornings at 10am. A new session begins on May 14th.

We are starting an evening session this month as well. Cash prizes to the biggest losers! Call Laura McIntyre at (410) 757-1354 or (443) 569-9082 for more details. On June 6th, we will have our second year at the Strawberry Festival!

YOUTH SAILING

Cape St. Claire Youth Sailing is accepting applications for the 2015 season. Students may start at age 8 for half day pram sailing. Older students may sign up for full day sessions in 420's up to 17 years old. No sailing experience is needed. This is a learn to sail program as well as providing instruction for more experienced sailors. The class also meets Boy and Girl Scout badge requirements. Visit www.capeyouthsailing.com for more information or follow the link from CSCIA website at www.cscia.org.

2015-2016 Stickers should be displayed on vehicles May 1st

Music and Arts Camp
July 6-10 9am-Noon
FREE for kids who've completed K-5
Register at www.broadneckbaptistchurch.org

Being God's Hands and Feet

At Broadneck Baptist Church we believe that faith is not just something we think or feel, it's meant to be lived. We are always exploring new ways that we can be the hands and the feet of Christ.

Whether it's by packing food with My Brother's Pantry; partnering with other churches to host homeless guests for a week during the cold of the winter season; holding a community concert or cookout or providing space where kids can be artistic and creative and engage God through music and through art.

We hope that you will come visit and explore with us how you might be called to put your faith into action at Broadneck Baptist Church.

Upcoming Events:

- Potluck lunch after service every last Sunday of the month
- **Saturday, June 6:** Cape St. Claire Strawberry Festival
- **July 6–10:** Music and Arts Summer Camp for Kids (No Fee)
- **August 3–9:** Intergenerational West Virginia Mission Trip

Outside is fun again

About Mosquito Joe of Annapolis

- Mosquito Joe of Annapolis is locally owned and locally operated by Kurt & Melissa Godwin. Our office is in Anne Arundel County and we love the Orioles & Ravens! We are members of the Better Business Bureau and licensed by the Maryland Department of Agriculture. Our web site: Annapolis.mosquitojoe.com.
- Mosquito season is mid-April through end of October.
- No Contracts (We are confident that you'll love our services and will want us to keep coming back, so we will never lock you into anything.)
- 100% satisfaction guarantee (If you are not completely satisfied with the effectiveness of our barrier spray services, contact us within 14 days of your treatment and we will re-spray your property at no additional charge.)
- Trained technicians will treat your property with an effective barrier spray that eliminates mosquitoes for 21 days. Using a backpack sprayer designed for precise application, your technician targets shrubs and plants with a barrier spray that kills mosquitoes on contact and bonds to foliage, where it acts as a mosquito repellent for weeks to come. Within 30 minutes of spraying, your yard is ready for family and pets to come out and play.
- We also inspect your property for active larvae populations and treat them accordingly. Your technician will help you identify potential mosquito breeding grounds in your yard and recommend ways to eliminate standing water. These notes will be left on the post-service door hanger at the end of the treatment. Every three weeks, our team will return to treat your yard.
- All of the barrier spray chemicals we use are synthetic forms of pyrethrins called pyrethroids. Pyrethrins are insecticides that are derived from a naturally occurring compound called pyrethrum found in the chrysanthemum flower. Pyrethroids are used in numerous commercial products that consumers use to control insects such as household pet insecticides, pet shampoos and sprays, and even lice shampoos applied directly to the scalp. The standard barrier spray treatment is effective on other pests such as fleas, ticks, stink bugs, some flies, as well as about 35 other insects. All our products are EPA registered.
- After treatment, you will see an 85%-95% reduction in mosquitoes, which means that any bug that lands on any surface we have treated will not survive. Considering that the average mosquito only flies about 200 feet its whole life and tires very quickly, there is almost no way it won't touch an area we have treated.
- An all-natural product (garlic) is used on your vegetables and herbs. This product will repel the mosquitoes away from the plant. A garlic smell will be present for approximately 30 minutes.
- We have the best customer service in the business-bar none! You have access to our web service portal 24/7. You will receive a welcome e-mail, as well as an e-mail the night prior to every service. Our technicians drive a Mosquito Joe branded van and wear Mosquito Joe branded clothing and always look professional. You can be home, but don't need to be. Our technician will knock on your door to let you know we're there and will always leave a door service hangar after service advising who was there, when they were there, and anything unusual about the service that day. At the end of the day, your credit card is charged. The entire process is seamless to you. Once you sign up, all you have to do is come home and enjoy your property without being eaten alive or having to lather up in smelly lotions and oils.
