MARCH 2015

PRESIDENT'S MESSAGE

Capers,

First and foremost, this March represent the 60th Year Anniversary of the publication known as the Caper. It was first published in March 1955, by the Board of Governors (BOG), after its approval in the January 1955 BOG meeting. It was an eight page publication filled with articles from the BOG meeting, Women's Club, Society Notes, Skating on Lake Claire & Deep Creek due to the extended two week freeze, an upcoming Spring Dance of 1955 and ads from all over Annapolis area, as there were not many businesses on the Broadneck Peninsula or in Cape St. Claire at the time. A few ads of interest I thought should be highlighted would be Mr. and Mrs. C.G Smith and their Tasty Freeze store along Revell Highway, what is just known as Rt. 50 today, at the entrance of Cape St. Claire. Mr. Smith and his family still owns and operates Bella's Liquors in the shopping center to this day. There were a few other noteworthy ads from Fawcett's in downtown Annapolis and Bert Spriggs Lincoln and Mercury Dealer which still operates in Annapolis today. The grand opening announcement of Harpe's Store which was to open before May 1st, 1955 in the Cape Shopping Center, a store that would provide Medicines, Sodas and Sundries while providing air conditioning. I encourage you to visit www.cscia.org and read the original publication under the Caper heading, where you will find under latest news, the "First Edition Caper" in PDF format.

Well, fast forward 60 years to 2015, "old man" winter struck with vengeance in February. Our first real accumulation of snow, a week of record breaking low temperatures, some breaking century old or more records. A frozen Lake Claire where kids and adults gathered to play pond hockey. Deep Creek, the Little Magothy and Magothy River frozen out as far as you could see. A unique view of the Bay could be had by standing on the snow lined Main Beach, you could see the Coast Guard Ice Cutter Ship clearing the Chesapeake Bay Channel for cargo ships headed to and from Baltimore. With that recap of the February in our review mirror, we can now look forward to spring which is just over the horizon.

Spring breathes life back into Cape St. Claire and our calendars begin to be consumed with activities in the community, schools and sports to name few. The Annual Easter Egg Hunt on the Main Beach will be held on March 28th, look for work days to begin again around the CSC properties, a kick off the spring bon-fire at the Main Beach, likely in early April, details to follow via CSCIA Facebook Page. You will see in the spring months Phase II of the Main Beach Park Renovation project get underway and to be completed prior to the Strawberry Festival June. Lastly, you will begin to read about progress being made towards the Capital Improvement Restoration and Renovation Project for our beaches at Lake Claire and Main Beach. If you are interested in getting involved, participating on one of our committees, email me at President@cscia.org or get online and visit our website, www.cscia.org and email the committee chair you would like to help.

President's Message continued.....

I have some community housekeeping notes to mention. First, March 1st is the deadline for your Lot Maintenance fees for \$10.00. The late fee will be \$10.00 this year as previously announced.

Stickers & Guest passes will be mailed out later this month and should be on your vehicles by May 1st, 2015. If you have more than two cars, additional stickers only cost \$5.00, which is a lot cheaper than the towing fees administered by our towing company once summer rolls around. Secondly, check online by April 1st at our website and we will have our new updated Piers Waiting and Move Lists online and available in the Clubhouse. We have gone back almost through a decade of notes and emails to scrub list, eliminate those who have moved away, already have slips or no longer want a slip. Thanks for everyone's patience while we cleaned up the databases and continue our technology updates and upgrades.

I look forward to seeing you around the community as the weather warms and we head into spring!

Best wishes,
Beau Breeden

BOARD IN BRIEF

February 9, 2015 - President Breeden called the meeting to order at 7:30 P.M. He said it's been a busy month but things are running smoothly in the office.

The minutes of the Board of Governors' meetings of December 8, 2014 and January 13, 2015 were approved.

The final Profit and Loss statements of November 30, and December 31, 2014 were approved.

COMMITTEE REPORTS:

Covenants: Governor Snow mentioned several items that he and Governor Breeden have been working on. He will be updating all of the files soon.

Caper: Governor Lamb is still looking for timely submissions. She got a lot of positive feedback regarding the color issue last month and is planning a special 60th anniversary issue.

Clubhouse: Governor Lamb said rentals have been steady and that there were some recent sewer line issues which have been addressed.

Strawberry Festival Committee: Governor Lamb commented that the next event is the Easter Egg Hunt (March 28th) and then the Strawberry Festival on June 6th.

Signboard: Governor Lamb has some issues to discuss in new business.

Treasurer: Governor Myers said things are on track.

Events: Governor Myers said work is beginning on the July 4th events, and there may be an April bonfire on the beach.

Erosion: Governor Vaccaro has turned in the phragmites burn permit, and needs to schedule a burn and restoration planting. She has an item to bring up in new business.

Communication and Technology: Governor Szczytko reported that the office has been rearranged and centralized, email has been moved to office@cscia.org and the first edition of the Caper is now on line. The website has a new more responsive host and there is now a web form for reserving the signboard.

Piers: Governor Small said all pending slips have been updated to the wait list, which is being cleaned up, along with the move list. Contracts are coming in and there should be 15 to 20 additional slips available this year.

Beaches and Parks: Governor Breeden said there are about 80 to 100 hours of community service looking for projects.

Building: Governor Breeden said there is nothing new in the way of variances and several permits have been granted.

board in brief continued....

Security: Governor Breeden said that January has been quiet other than several break-ins in the area. The Neighborhood Watch will soon have a new web page.

BLOA: Governor Breeden said there was a meeting to further discuss financing for the water at the shopping center.

BCC: Governor Breeden said there will be a meeting Thursday night at 7:30 at the Clubhouse with Councilman Peroutka.

Personnel: Governor Breeden is working with Leslie on personnel matters.

Mosquito Control: The form is due by March 1.

OLD BUSINESS:

Governor Myers noted that a bill before the County Council limiting SCDBs died before a vote.

It was noted that Sarah Gannon is the new constituent services person.

There was discussion of the signboard and its future style, location, and financing of that. Governor Lamb moved that money collected to date from the signboard be transferred to the Events Committee. The motion passed unanimously. Governor Lamb will continue to take information and the sign will now be changed by the Maintenance crew.

Regarding a private well that sits on Cape property, nothing has been returned from the landowner but an agreement is pending. An agreement is also in the works regarding a structure built onto Cape property. The County is now looking into a private business on a property that has been the subject of numerous complaints.

Governor Vaccaro said that a watershed steward candidate wants to create a rain garden at the Clubhouse. Grants would pay for its installation and the CSCIA would be eligible for tax credits. A motion was made and passed that this be allowed.

board in brief continued....

Governors Breeden and Lamb discussed the removal of the light poles right outside the Clubhouse, at the corner of Riverbay and St. Catherines, and on the Main Beach. The plan is to install more attractive decorative lighting.

There was discussion of street lights and their installation throughout the Cape.

Mike Buchet pointed out that the Budget Committee still needs a third member.

There was some discussion of future online finances, payments and receipts.

ADJOURNMENT:

The meeting was adjourned at 8:29 P.M.

MEMBERS PRESENT:

Governors Breeden, Lamb, Myers, Szczytko, Snow, Small, and Vaccaro were present, as were Budget Committee chairman Buchet and member Toy. Governor Gardner has resigned from the Board.

TIP OF THE MONTH

What's in YOUR WATER?

CITY WATER IS USUALLY CHLORINATED, FILTERED & FLUORIDATED. IT USUALLY COMES FROM A RIVER, LAKE OR WELL. HOPEFULLY, WHATEVER HARMFUL CHEMICALS OR BIOLOGICAL MATERIALS ARE SAFELY REMOVED.

WELL WATER CAN BE VERY CLEAN & HEALTHY, BUT THERE ARE MANY POSSIBLE PROBLEMS - MINERALS LIKE IRON OR SULPHUR MAY REQUIRE TREATMENT. "FRACK" MINING MAY RESULT IN MANY ADDED CHEMICALS, SUCH AS BENZENE, SALT, NAPHTHALENE, METALS, RADIOACTIVE ELEMENTS AND METHANE.

BOTTLED WATER IS USUALLY CITY WATER. SOME OF THE EXPENSIVE TYPES ARE WELL WATER.

GARDEN CLUB

Hello, Capers!

As I write there is snow on the ground and our neighborhood looks so lovely in snow, doesn't it? Speaking for myself, snow beautifully covers a multitude of undone Fall garden chores in my yard! But have no fear! Spring chores will soon be upon us. If you are anxious to see the beginnings of spring, you can start seedlings at home right now and nurture them for a few weeks in sunny areas indoors. They'll be ready to plant just in time for the beginning of the regular planting season around here in early May.

If you would rather have more mature plants, check us out on Saturday, May 16th, 8am-2pm for our ANNUAL PLANT SALE at Cape St Claire Rd and Broadview. (Google map location: 1111 Broadview, 21409.) Come enjoy a mouth-watering selection of sturdy Cape-grown perennials, colorful annuals, a wide selection of tomatoes, herbs, and vegetables, and a collection of exciting native perennials hand-picked by our members, all bursting out of their pots and at bargain prices. It's a real steal!

To learn more about gardening in the Cape and in general, you could join the Garden Club at the low, yearly rate of just \$3.00. Our meetings are the first Tuesday of the month at 7 p.m. at the Cape St Claire clubhouse. In March, we are celebrating the anniversary of the garden Club with our annual dinner and plant auction.

Here are some of the things the club has sponsored over the years: The Yard of the Month awards, weeding and planting of some of the public spaces around Cape, speakers for the club – including February's speaker, Dr Kathryn Hodges, who gave us some great information about protecting our backs for gardening and forever, and Dr Francis Gouin (in conjunction with Goshen farm preservation Society) who shared his years of experience with composting. We sponsor the yearly plant sale and take group trips to places such as the Philadelphia Flower Show. We have many knowledgeable members and a lot of simply nice folks who share a love of working in the soil.

Come and join us! Check out our page at capegardenclub.wordpress.com.

GOSHEN FARM PRESERVATION SOCIETY

NEWS FROM GOSHEN FARM – MARYLAND DAY/OPEN HOUSE

We have an insert in this issue of the Caper regarding our participation in the Maryland Day in the Four Rivers Heritage Area. We are combining it with our Spring Open House and hope that everyone in the Cape will come out and support our efforts to save the historic Goshen Farm and its surrounding 22 acres of pristine land. It should be a fun time for the entire family.

In preparation for our Maryland Day/Open House celebration and in honor of Black History Month we thought we would share some of the research we have discovered to date.

Edward Stewart was born about 1832 in Maryland according to the Anne Arundel County Court, Chattel Records, 1845-1851, Volume 818, p.424. Thomas J. Hall conveyed Edward Stewart to Landy Linstead on September 8, 1850 according to state records. The papers conveying Mr. Stewart required that he would “remain in servitude until he shall have arrived at the age of thirty eight years he being at the date of this instrument about sixteen years and six months old.”

Thomas J. Hall inherited Goshen Farm and its slaves and property from Richard Gardiner and lost it to debt after about 2 years. The 1870 Census for AA County District 3 shows Edward Stewart, born about 1832, still living in the area. He had a wife, Martha, age 40, and 4 children, Hester age 12, Lemuel age 10, Jacob age 6, and Rebecca age 4. It is very likely that this Edward Stewart is the same person who was conveyed to Landy Linstead. We found no further mention of Mr. Stewart in our research but we did find a Lemuel Stewart appearing in the 1880 census as a farm worker living with an Ellison family in District 3. By then, many freed slave were working in the growing farm area on the Broadneck.

Of interest in our research, a George Gardiner (b.1839) is on the 1860 census as living with Philip Pettebone who was the executor of Richard Gardiners will and a relative. The Gardiners and Pettebones were connected through marriage for 3 generations. Many of the old timers in the Cape remember picking those wonderful strawberries at the Pettebone farm off of Bay Head Road. It is possible that George Gardiner may have been a slave of Richard Gardiner at one time, or possibly the child of Gardiner slaves. We base this supposition mainly on the names and closeness of the 2 families.

We also located the following manumission record:

Cornelia Tydings manumitted by Henry Tydings by deed bearing the date “twenty third February eighteen hundred and forty eight aged twenty one years of very light complexion height five feet six inches.” His Certificate of freedom issued October 23rd A. D. 1851. This occurred prior to Henry Tydings owning Goshen. We found that a Henry Tydings is buried in the Stinchcomb-Tydings Family Cemetery and he fought in the Confederate States Army (CSA). Stay tuned as we do further research.

We have just begun our research into the families that have resided at Goshen Farm or have lived on the Broadneck and have ties to Goshen Farm. In the future we will use this space to share the farms fascination history.

CAPE NUTRITION & FITNESS

We continue to meet every Thursday morning at 10 am at the Cape St. Claire Club House. Our next session will begin March 19th. You are welcome to join at any time. We discuss a different topic each week. Call Laura McIntyre at (410) 757-1354 or (443) 569-9082 for more information.

BOARD OF GOVERNORS VOTES TO PUBLISH PAPER

SPRING DANCE TO BE HELD ON APRIL 23

The Spring Dance to be held in the Club House on April 23 will usher in the Cape St. Claire Club's social activities for the year of 1955. It will be the most pretentious affair the Women's Activities Committee has sponsored to date.

Various sub-committees have been named and they are working hard to make this dance a big and happy occasion. The funds collected will help pay for the new tile floor which will be installed in time for the dance and which will give our Club House one of the slickest dance floors possible.

New concrete walks will be installed from a curbing to the main entrance and a sidewalk will be run from the parking lot to the corner of Persimmon Point Road. An aluminum telephone booth has been placed at the corner of the Club House for easy access and privacy of conversation.

"Bea" Wagener and Marie Rochester, who are handling the entertainment, were fortunate to obtain the well known Scott Cutler and his combination of

**BOOST
CAPE ST. CLAIRE**

OUR FIRST ISSUE

This is *Our* first issue in the sense that The Caper is for all of us and about all of us. It is a modest beginning, but a beginning which can grow into importance as our interests and participation dictates.

We have seen Cape St. Claire rise from a promise to the reality of a growing community of high quality; a place where many are making permanent homes for themselves, and a place where all of us can enjoy the bay, the beaches and a breath of good air.

Cape St. Claire is one of the most beautiful places on the bay. The Club House is an unusually fine club house and the concrete evidence of the spirit of cooperation of our members. The Club itself is one of the largest and most important organizations in the area.

Much that has been done to make Cape St. Claire a better community, and most of what will be done to advance it still further is the work of the Club. The Cape St. Claire Club is the moving force in this development because it represents the concerted effort of all of us. And in turn, each of us must contribute his individual effort to make the Club strong so that we may accomplish the many things we looked forward to when we made an investment in the future of Cape St. Claire.

The Caper will serve to keep us in touch with the latest happenings at the Cape or wherever our Club or its members are making news. It will keep us abreast of all social activities so that we may take part in the full enjoyment of our Club House and Club facilities. It will offer a Member's Forum where, space permitting, a number of letters of general interest to all the membership will be published. There will be other features pertinent to the Cape's interests.

Read every page, every month! Take your part in the production of The Caper by contributing any item. If it interests you, it will interest all of us. We welcome any criticism or suggestion, so pen in hand, drop The Caper a line.

We can thank the advertiser who makes this paper possible by mentioning Cape St. Claire when we do business with him.

The fact that the members of Cape St. Claire Club want more frequent information concerning club and community activities prompted the Board of Governors to approve unanimously a motion to issue a regular monthly club publication.

The action was taken at the January meeting of the Board after careful consideration had been given to the cost and value of such a publication to the membership.

A committee appointed for the purpose of investigating the possibility of producing the paper and composed of four members of the Board, President Graham Goodell, Harry C. Kirsch, Frank C. Christhill and Albert C. Dansereau, recommended that the paper should be published.

Clay Davis, Club Treasurer, made the motion that the recommendation of the committee be put into effect. It was seconded by John Walsh and passed without a dissenting vote.

The idea of sending a regular monthly newspaper to the members was introduced by Mr. Dansereau at the November meeting of the Board. The fact that most other large and important organizations use a similar type medium to keep

VOL. I MARCH 1955 NO. 1

WHY HAVE PROPERTY RESTRICTIONS?

The legal rules by which we are bound in the deed to our property at Cape St. Claire are known as Restrictions. In reality these rules, like other rules or laws which govern our conduct, are for our own good as well as the good of other members of our community.

If there were no restrictions on the types of buildings which may be legally erected at Cape St. Claire, you probably would not want to own property here, as its value would depend a great deal upon what kind of structures your neighbors put up. Obviously, if your property were surrounded by shacks you would not want to build a nice home for your family in such a location.

It is therefore to YOUR interest as well as to the interest of others that our Restrictions be enforced. While no one wants to see his neighbor penalized, it has been necessary in the past for the Maintenance Corporation to take several cases to Court and in each case the Restrictions has been upheld.

If there is any question in your mind about what you have

(Cont. on Page 8)

CLUB NOTES

The Board of Governors are now considering plans for a satisfactory covering for the present concrete floor in the Club House in order to reduce upkeep, improve appearance, and provide a better surface for dancing, etc.

They are also completing plans to build concrete walks on the Club House grounds to the entrance, Public Telephone, kitchen and toilets. (Editors note: These plans will probably have been approved by the time you receive this copy.)

The President held a meeting of the Executive Committee on February 27 to consider the budget for 1955. Recommendations will be made to the Board of Governors at their March meeting.

The payment of dues for the year 1955 is very gratifying. Everyone is getting in early this year. If you haven't as yet got around to paying your dues, DO IT RIGHT NOW. Remember that the payment of your dues will guarantee increased value for your investment in Cape St. Claire. Mail your check to Harry H. Incho, Secretary, 4512 Mountview Road, Baltimore 29, Maryland. DO IT TODAY.

COVENANT TO COVENANT

The Bible tells us the story of God's attempts to covenant with God's people. God had a way of keeping God's end of the deal and humanity, well... that was another story. We didn't do quite as well. The passages in Lent invite us to explore some of these covenants to see what bearing they have on the promises we make today. Join us for worship on Sunday mornings or join a small covenant group to explore these further. Covenant to covenant this Lent!

JOIN A COVENANT GROUP

This Lent you are invited to join a small covenant group to explore the various promises God has made with and for us and how they affect our individual lives and our relationships with others.

We would like to form a few groups of six to ten people each which will meet over the period of Lent for one hour or a bit longer. We would like you to commit to meeting five times to study and reflect together on selected passages each relating to a specific covenant God has made with humanity (think Noah, Abraham and Sarah, Moses, Jeremiah and the New Covenant). We hope these meetings will also strengthen the bonds of fellowship we have with one another. For your convenience, we are offering three different times that will meet at the Church Library:

- Sunday mornings (beginning February 22) 10:30 a.m.
- Tuesday afternoons (beginning February 24) 1:30 – 2:45 p.m.
- Wednesday evenings (beginning February 25) 5:30 – 7:00 p.m. (Bring a bag supper if you wish)

If you would like the study materials to form your own at home group you are welcome to do that as well.

EPIPHANY COMMUNITY

We celebrate Catholic mass every Sunday at 9:30 am at the Cape St. Claire Club House. We are in the process of electing three new board members. Our new website is up and running and looks great. The website address is: epiphanycommunity.org. During Lent, we are collecting food items for local charities. We look forward to meeting you this Sunday.

CATCH FIRE THIS LENT!

A five Friday Lenten "Retreat"
begins in less than one month.

5 Fridays:
February 20 & 27,
March 6, 13 & 20

- **Soup Supper** – 5:00 to 6:30pm
- **Multi-media Stations of the Cross** – 6:45pm
- **Catching Fire, Becoming Flame** – 7:00 to 8:00pm
 - An engaging video discussion series by award-winning Franciscan preacher Fr. Albert Haase.
 - Gives us the tools and kindling to prepare for the spark of God in our lives.
 - Shows us how to fan the spark of God into flame until we, and our world, are set ablaze with God's love.

Sign up on the parish website or respond to the parish email invitation *to reserve your child's space and/or to purchase the optional book* by Fr. Haase.
Or email at scrane@standrewbythebay.org.

A Wednesday morning group will be available if there is enough interest.
Please contact Stephany Crane directly.

Though the best option is to make Lenten Fridays a weekly commitment, we know that's not always possible. Can't stay for the video? Then just come to supper (or vice versa). Can't make it every week? Come when you can.

CONGRATULATIONS NO CAPES!

"NO CAPES" (A band of Broadneck HS students) wins the 17th annual Anne Arundel County's Battle of the Bands. Ten top high school bands are selected for the competition. They are asked to perform 3 original songs for a panel of 4 music industry judges. You may remember NO CAPES from the last 2 Strawberry festivals. They are:

~William Guild, 16, junior, Broadneck, vocals, guitar (Arnold).

~Garrett Hall, 17, senior, Broadneck, guitar (Arnold).

~Nick Howard, 15, sophomore, Broadneck, bass (our own "Caper").

~Ajay Draper, 16, sophomore, Broadneck, drums (our own "Caper").

Additionally, Nick Howard was named "Best Bassist" of the night.

The bands name "No Capes" comes from a dictum issued by Incredibles cartoon character Edna Mode who famously refused to design superhero outfits with capes as so many super-guys got killed when their capes went awry. The bands moto: "You don't need to hide your face or wear a cape to be special"

Find the band on Instagram @No_Capes.
