Quarterly Meeting April 26th 7:30 pm Clubhouse

Notice MEMBERSHIP MEETING April 26th, 7:30pm Clubhouse

At all meetings of the Association, the presence of 25 members shall be necessary to constitute a quorum. If there are insufficient members present to establish a quorum at the time a membership meeting is to be held, a substitute meeting may be called under the following procedure:

- A. A majority of the members present calls for the substitute meeting. Then,
- B. The presiding officer shall set a date falling within 30 days for a substitute meeting of members; and
- C. Notice of this substitute meeting shall be given 10 days or more in advance to all members of the Association, and shall include the following information:
 1. the time, place and purpose of the meeting; and
 2. a statement explaining that at the substitute meeting the members present constitute a quorum.
- D. All absentee published ballots not counted for lack of a quorum at a membership meeting shall be counted at the substitute meeting.

BOARD IN BRIEF

CSCIA BOARD OF GOVERNORS MONTHLY MEETING MARCH 14, 2011

The March 2011 CSCIA Monthly Board of Governors meeting was convened on March 14, 2011 at 7:30 P.M. in the Cape St. Claire Clubhouse, Cox Meeting Room.

President's Remarks: President Gallagher presented the agenda

for the meeting and made brief opening remarks, including:

Received a letter from the Cape St. Claire Elementary School requesting financial support for further expansion of their playground equipment. A motion was made and approved for the CSCIA to donate \$150 to the effort as a "Bronze Metal Sponsor."

Notice was received on January 11, 2011 that a lawsuit is being filed against the CSCIA by Mr. Gregory Moon who allegedly suffered injuries at the Little Magothy community pier area.

Minutes and Profit & Loss Statements (P&Ls):

A motion was made and approved to table the Minutes of the February 14, 2011 CSCIA Monthly BOG meeting. A motion was made and approved to accept the January 31, 2011 Profit & Loss Statements.

COMMITTEE REPORTS:

Vice President Mooneyhan:

Along with Governor Gardner had a meeting with the CSCIA's insurance company, State Farm,

in an effort to discuss reappraisal of community assets, replacement values and overall coverage. They may also work with insurance brokers in an overall effort to identify the "best coverage at the best price."

Governor Mooneyhan attended a meeting with the BLOA (Cape businessmen's association) last month where several subjects were discussed including the new security patrols using Anne Arundel County police, and the treatments of the sidewalks and parking lots for ice and snow.

Clubhouse: Governor Lamb reported that the leaking roof and drainage problems are being repaired.

Caper: Governor Lamb is work-

capermanager@cscia.org

Editor: Barbara Morgan

capereditor@cscia.org

The deadline for articles and ads is the 12th of the month.

The Caper is published ten months a year and sent bulk rate to all residents of Cape St. Claire, all nonresident lot owners, local government officials and advertisers. Copies are also available in CSCIA Office, Broadneck Library and local stores.

POLICY FOR ARTICLE SUBMISSIONS

All submissions for *The Caper* must be received by the editor by the 12th of the prior month. Submissions should be emailed as Microsoft Word attachments (PC only) to: **capereditor@cscia.org**, or dropped off (on disc or CD) at the Clubhouse. Articles must be submitted electronically. DO NOT submit as inline text of email. All articles should be clearly labeled with the 1) submitter's name, 2) phone number, 3) article file-name (s), 4) software product and 5) version used. Please keep a backup copy of each file and do not submit disks containing extraneous files. After *The Caper* processes each article, the submitter's disk can be picked up at the CSCIA office during regular hours. *The Caper* Staff and the Cape St. Claire Improvement Association reserve the right to refuse any article, letter or advertising that it deems inflammatory, in poor taste or inappropriate.

(Continued from page 1)

ing on getting the April publication of the *Caper* out to the printer.

Beaches and Parks: Governor Newman reported that a 30-foot extension to the Lake Claire fishing pier toward land is currently being constructed to improve access.

Piers: President Gallagher reported that all of the boat slip rental contracts, except for about eight, have been completed. Soon, the effort of offering "slip moves" will take place.

NEW BUSINESS:

Lou Biondi raised the issue of County contracted trash collectors leaving the empty trashcans in the right-of-way areas, mak-

ing driving on our community roads difficult. He recommended the CSCIA get involved with the County to rectify this problem.

President Gallagher stated that the vacant BOG position was offered to Bruce Campbell and he accepted.

Comments from the floor: Ms. Michele Hahn, a guest at the meeting, addressed the BOG on behalf of the Broadneck Grill, a restaurant located in the Cape Shopping Center. In short, she asked that the CSCIA provide a one-day waiver to allow the Broadneck Grill to use their sidewalk, two parking spots, and a tent in the back area to set up tables for serving food and drinks on Cinco de Mayo day, their busiest business day of the year. ...After discussion, a motion was made and approved to allow this one-day waiver to the Broadneck Grill.

Attendance:

Governors Berley, Daly, Dembowski, Gallagher, Gardner, Lamb, Mooneyhan and Newman were present. Budget Committee member Buchet was also present.

Adjournment: The regular March 14, 2011 CSCIA Monthly BOG meeting was adjourned at 8:30 P.M.

Closed Session Meeting: A motion was made and unanimously approved to enter into a Closed Session meeting for the purpose of discussing legal issues. The Closed Session meeting was convened at 8:30 P.M. and was adjourned at 8:45 P.M.

SAFETY/SECURITY

REMINDER: ARE YOU READY FOR AN EMERGENCY?

How would you feel if you called for emergency medical help late in the night and it arrived five minutes late, and your love one passed away?

How would you feel if you called the fire department or the police, and they arrived just a few minutes too late to help?

To avoid having to answer the aforementioned questions, you may need to ask yourself one more question. ***Can emergency responders quickly and easily see my house address number from the street from both directions during the day, and especially at night?***

The next time you are returning to your home at night, pretend that you are a policeman, ambu-

lance driver, or a firefighter trying to find your house. Can you quickly and easily see your house number **from the street from both directions**? Are parked vehicles, bushes or trees blocking the view of your house number sign? Do you have house numbers posted on the front of your house but they are too distant from the street to be seen clearly? Remember speed counts. Emergency scenarios occur daily and many people suffer under circumstances unnecessarily because homes cannot be found quickly and easily. Emergency personnel do an outstanding job and have the best equipment in the world including GPS. Unfortunately, the GPS is not always accurate. A weak link in the 911 program is the fact that many individual homeowners do not have their homes clearly addressed

whereby they can be found quickly in an emergency during the day and especially at night. Take notice as you drive through the Cape and you will see that this is a problem at many, many homes especially at night, and especially with parked vehicles blocking many of the house numbers where they are posted. Mark your house number in large, reflective numbers that can easily be seen from the street **from both directions** and over any parked vehicles. You may need two of these signs. If possible, shine a light on your house number address sign. Good quality *reflective house number signs* are available in blue and green colors from our Cape St. Claire Volunteer Fire Department firehouse on Cape St. Claire Road for \$20 each. For \$5 more they will install that house number

(Continued on page 4)

Someone You Know Trusts Mona!

Mona is the best there is!

We first met Mona LaCovey in 1994 when she helped us locate a wonderful home in the Cape St. Claire community of Annapolis, Maryland. As an active duty military couple with two young children, we didn't have a lot of time or resources and needed to find something quick. Mona's superior knowledge of the housing market and her cheerful demeanor helped to alleviate the stress that often comes with purchasing a home. Mona doesn't just work for her clients; she builds relationships and demonstrates genuine concern. So 15 years later upon deciding to sell our home, we knew we could count on Mona. Despite the sluggish economy and housing market, our home sold relatively soon due to Mona's perseverance, dedication, positive attitude and skill. When it comes to real estate agents, Mona is by far the best there is!

address sign on your mailbox post, or for \$10 more they will install a new post and install a house number address sign on this post. You can order these house number address signs by going to the firehouse's website: www.csevcf.org/SignOrderForm.pdf

Aside from the emergency responders, think about the mailman and UPS and FEDEX drivers, think about your visiting friends and relatives, and as previously stated...speed counts...so think about having those pizzas delivered while they are still hot!!!

If this is an issue at your house, please take care of it quickly for everybody's convenience, but especially for your own safety, health and well-being.

A concerned Cape resident

Goshen Farm Preservation Society

On March 20th the GFPS held its first Java and Jazz fundraiser at St. Margaret's Episcopal church. The event was a great success with over 65 of our supporters, family, friends and neighbors showing up. Tunes were provided by the Jazz Perpetrators who did an excellent job. We gave away many door prizes, the last being a basket of liquor donated by Bella's Liquors. We would like to thank everyone who joined us and helped fill the donations bowls. All proceeds will go towards the Capital Campaign. Currently the society is seeking material donations for the renovation of the caretaker's cot-

tage. We are in desperate need of a secure structure that we can store material in. We are also looking for a well company and a termite company that might be able to help us. If you can help us with any of these items we would greatly appreciate it.

The GFPS will be at the CSCUMC's Spring Bazaar on Saturday, April 9th. We will be selling Goshen Farm books, t-shirts, raffle tickets for a hand-made quilt and an Ascend Kayak, as well as yard sale items all to benefit the restoration of the farm house. Come and see us.

If you are interested in the restoration/preservation of Goshen Farm and would like to know more or to volunteer please be-

Spotlight - River Bay Roadhouse

Come see the River Bay Road House – if you haven't been here yet, you will be pleasantly surprised – this is NOT Bella's Bee Hive! The River Bay Road House is a beautiful family-friendly addition to our community. Owners/managers, Pat and Danny Miller, a dedicated Mother-Son team, described how they decided to open a restaurant in Cape St. Claire. Danny grew up in Cape St. Claire, and Pat lives in Cape St. Claire. Both have incorporated their community ties in hiring local employees and in using local food supply vendors. Danny said that

despite having owned a local plumbing business (DK Miller Plumbing, Inc.) for many years, he has always had an idea for opening a restaurant, and considered buying a restaurant in Baltimore City. But when he heard that the old Bella's was available for sale, he jumped on the chance to buy and renovate the property to convert it into a family friendly restaurant, right here in the community in which

he grew up. They have worked hard to fine-tune the menu, and have also recently hired chefs and managers with extensive restaurant management and culinary experience. Pat said she has totally immersed herself into all aspects of the Road House, and is pleased that she can use her 30+ years' of business management experience – as well as see friends and neighbors who regularly visit the Road House for

lunch. Danny said that they hired an architect to design their restaurant and focused on a “totally different, open, clean and welcoming environment.” Danny says he looks forward to steamed crab season and starting brunch service, as well as wine dinners, and family-friendly “dinner and a

Sunday Mass at Clubhouse

A Catholic mass is celebrated at the Clubhouse every Sunday morning at 9:30 AM. The Epiphany Community sponsors this mass. Epiphany is a small community which used to attend mass at the Manresa Jesuit retreat house before Manresa closed down. Since that time 17 years

ago, the community has rented the Clubhouse for Sunday mass. Several priests come on a rotating basis, including Jesuits, Dominicans, and Salesians. Many are teachers at local universities. All are welcome to this mass. Sundays at 9:30 AM.

Councilman Dick Ladd

Anne Arundel County Council
Fifth District

This month I visited with Captain Waltemeyer, Commander of the Anne Arundel County Eastern Police District. While discussing the tightness of his staffing, it was clear that he was on top of the situation and looking forward to filling some of his vacancies from the new class of recruits that just started – the first in over a year.

Captain Waltemeyer noted a recent increase in thefts from vehicles, especially unlocked vehicles. As the weather warms, more thefts occur. The message here is to be sure to lock your cars and do not leave personal items visible, or better yet, remove them if at all possible.

The Captain would also like for all to know that there is a free community information service (Nixle) available. This service allows subscribing residents to receive instant messages, including urgent alerts, community specific advisories, traffic advisories, and other police department public announcements by cell phone, text message, and/or email. Be

sure to register at <https://local.nixle.com/anne-arundel-county-police-department---eastern-district/> to get the latest information.

I also visited Benfield and Arnold Elementary Schools with senior representatives from the Chief Operating Officer's staff of the Board of Education. We looked closely at the inadequacies of core facilities (gyms, cafeterias, media centers, bathrooms and basic utilities capacity) and extensive use of portables at Benfield to accommodate operations at 142% of design capacity. Both schools were clearly built before the requirement for fire access lanes, bus loops, full-time kindergartens, special education programs and air conditioning.

In Arnold, the impact of faulty, leak-prone HVAC controls was clear when a leak occurred the evening after our visit – exactly as the Principal clearly predicted it could. The Superintendent's Office is carefully evaluating options to address what looks like a design flaw. I expect it may be a summer vacation action.

Recently I attended the 25th an-

niversary of Boy Scout Troop 995 at the Gloria Dei Lutheran Church in Arnold. While visiting with a table of today's Eagle Scouts from Severna Park and the Broadneck

Peninsula, I learned about the extremely rich history of this troop in guiding 49 young men to Eagle status and countless other young men to Life and Star ranks. Obtaining Eagle rank is a well-recognized attribute of leaders in all walks of life. Our community owes a great deal of thanks to the adult leaders of Troop 995, to the parents of the scouts, and to all others involved in Boy and Girl Scout activities, for they are truly guiding the leaders of tomorrow through some of today's "shallows."

Another very noteworthy volunteer organization enriching our community is SPAN – Serving People Across Neighborhoods. SPAN is a 21 year old group of six area churches assisting those in need of emergency help in a dignified and expeditious manner. The need and numbers are almost staggering. Last year, SPAN assisted 7,372 individuals (2,533 families) with a total distribution of food and financial aid of \$336,000. This is an increase of 225% in financial assistance and a 49% increase in the number of individuals. SPAN can be reached at 410-647-0889 or www.spanhelps.org if you are interested in helping their mission of helping others.

With regard to the sewage spill at Mill Creek, which I briefly mentioned in last month's column, the cause was a battery failure. When the two separate, commercial power lines went out, the back-up generator did not start because at least one of the four "in-line" batteries failed. Although it appeared that battery maintenance was being performed, it was not always timely and completely done. In the

short term, DPW is looking for more advanced battery maintenance and stress testing methods for all County pumping stations. When the modernized, replacement Mill Creek pumping station (funded in the FY11 budget) is completed in the next 18 months, a newer, more reliable backup battery system will be used.

Finally, my colleagues at the County Council and I will be hosting members of the Student Model Government Program for a series of briefings and a mock County Council meeting on March 21. Each of us has been assigned a student "shadow" to see and experience the day-to-day activities of a Councilman. It is sure to be a learning experience for all of us.

Thanks to all who have contacted my office to share your ideas and thoughts with me. I hope you will continue to stay in touch; I'll look forward to hearing from you. My e-mail is dladd@aacounty.org and my number is 410-222-1401.

Welcome Back to Your Mailbox "The Caper"

The Cape St. Claire Improvement Association and the NEW CAPER staff would like to welcome the re-birth of the printed version of the "Caper". Residents of Cape St. Claire can expect to see the Caper in their mailboxes during the first week of each month it is published. It is our intention to publish this community newsletter ten times per year. As in the past there will be two bi-monthly issues (July/August and December / January). Should you experience problems with delivery please notify us via email caper@cscia.org.

In an effort to make residents aware of Community News, the Caper will be featuring articles submitted (and approved) by community organizations, local businesses and residents. In addition, each month the Caper will spot-

light a local business highlighting their history and current events. Signed letters to the editor will be accepted and printed upon approval. If you would like to submit an article for print in the Caper please email capereditor@cscia.org. All articles will be reviewed and upon approval, printed as space allows. The Caper staff sincerely hopes you enjoy the re-birth of the printed version of the "Caper".

CAPE CLEAN-UP

**Friday, May 13th &
Saturday, May 14th**

**Corner of Broadview and
Cape St. Claire Road**

Anne Arundel County Waste Management has graciously offered Cape Residents a weekend in May for our 2011 Spring Clean-Up.

The Clean-UP will begin as soon as the County arrives on Friday, May 13th.

We will make every effort to operate the Clean-Up until 4:30 PM on Friday the 13th space permitting. On Saturday the 14th the

Clean-up will begin at 7:30 AM and continue until approximately 2:00 PM, space permitting. *Due to the closing of the landfill on Sundays, all dumpster cans will be removed on Saturday beginning at 2:00 PM.*

In an effort to protect our environment and dispose of our trash properly, Anne Arundel County will be providing the Clean-Up with cans for recycling and two on-site Anne Arundel County Employees to assist the residents with the proper disposal of their TRASH. When you arrive at the clean-up you will be asked to dispose of your TRASH in the proper cans. Please keep this in mind as you load your vehicles. Try to keep your recyclables together (Glass, Cardboard, Paper, Metals etc...).

The following is a list of unacceptable materials:

Junk Automobiles
Trailers
Gas and Propane Tanks
Tree Trunks
Oil Drums or Tanks
Liquids
Hazardous Waste
Boats
Tires
Logs
Paints
Refrigerators
Air Conditioners

If you should have any questions about the clean-up please contact Mary Lamb at 410-757-0593.
