Cape St. Claire Improvement Association, Inc. Community Newsletter

## APRIL 2014

### PRESIDENT'S MESSAGE

Dear Fellow Capers,

After a long winter and hopefully final snow storm on St. Patrick's Day, we can finally look forward to warmer weather. As March turns to April and we reemerge into our yards to prepare our flower beds and gardens, consider how you may be able to help the community at large.

I know many of you volunteer to make Cape a great place to live, by helping out at one of the local schools, coaching a sport and participating in other civic/religious organizations that benefit our community as a whole. If you are new to the Cape or been here 40 years, we could use your help in making Cape a better place to live. We have 12 Governor's on the board who give their time and skills, to help manage a community of 2,300 homes, 7,000 plus residents, and more than 30 acres of Community Association property. We can always use more volunteers, be on the lookout for beach clean-ups, Lake Claire Restoration work days, Stream Clean Projects, upcoming community events and other projects to help improve the our community as whole!

In the last Caper, I mentioned I asked each Governor to come up with a few ideas that they would like to see implemented over the next few years in the Cape. We had a lively discussion at our March Meeting that produced some great ideas. These ideas are wide varying and give us a range of short term and long term projects to focus towards. In particular, it will help the Board and Budget committee work on implementing long term maintenance and capital improvements for the community that will benefit the community at large, both in our daily use, but also reflected through home values by keeping the Cape a desirable community to live in. Here are some of the ideas!

1. Erosion Control – this includes a restoration of not just Lake Claire itself, but the Main Beach and Lake Claire Beach (or Little Beach as many call it). This is large Capital Improvement Project to save our beaches and will require input and the will of many, not just the Board of Governors. You will see more on this in the coming months.
2. Improvements to the Clubhouse - Through the hard work of Mary Lamb and others, the Clubhouse has been updated, but more can be done. Ideas include kitchen upgrades, sidewalk improvements and a porch facing the Main Beach, to give the Clubhouse more curb appeal.
3. Capital Improvements to our Beaches & Parks outside of erosion. These include a extending the fishing pier and making it ADA compliant, a new entrance to the Main Beach, including pervious pavers for environmental and aesthetics purposes, replacing fences, a gazebo or pavilion, a better solution for bathrooms and possible showers at the Main Beach.

4. Technology and Communications for the Association: A look at what technical and recordkeeping upgrades need to be made here in the 21<sup>st</sup> Century to be more cost efficient with the community budget over the long run, while protecting the privacy of our residents. Other ideas were a Welcoming Committee to new residents, more timely communications, and better communication of the Covenants and Building Codes within the community.
5. A long term Capital Improvement and Budget Plan for our Piers and Marina's. Lou Biondi and the Pier's Committee have made great strides over the last few years on this issue. There is more to work to be done and volunteers are welcome to help with this unique Community feature.

We now have a starting point and we need your input as to what is important to you, as owners and residents in Cape. We will have a presence at the Strawberry Festival this year and have a suggestion box for your ideas. You can also email me at [President@CSCIA.org](mailto:President@CSCIA.org) for feedback, new ideas, and if you want to volunteer! I look forward to seeing you around the Cape as the weather warms. Remember also, the Cape St. Claire Road Expansion Project is beginning and patience, planning and staying informed about the project schedule through our website or the Anne Arundel County Department of Public Works is highly encouraged!

Best wishes,  
Beau Breeden

## BOARD IN BRIEF

March 10, 2014, President Breeden called the meeting to order at 7:31 P.M. He said that a Boy Scout and his mother may be joining us later. He said that things are running smoothly and that he met with our bank to review services and loans and options for capital improvements.

### **Minutes and Profit and Loss Statements (P&Ls):**

**February 10, 2014 Monthly BOG meeting minutes:** Governor Newman made a motion that these minutes be approved. The motion was seconded by Governor Biondi and passed unanimously.

**January 31, 2014 Final Profit and Loss Statement:** Governor Dembowski made a motion to approve these P&Ls. The motion was seconded by Governor Myers and passed unanimously.

### **COMMITTEE REPORTS:**

**Beaches and Parks:** Governor Dembowski said he is working on replacing several trees and replanting additional bushes, trees, and shrubs. He is currently writing detailed job descriptions for beach patrol members and updating the roster. He hopes to start work on the new walkway at the Main Beach within the next month. He had Governor Newman update the website with some minor clarifications to the Beaches and Parks rules.

**Treasurer:** Governor Myers said the SCBD account was audited and found satisfactory. The preliminary February statements show the CSCIA to be mostly on track and revenue is coming in in a timely fashion. She mentioned meeting with President Breeden and the bank. She thinks it is prudent to continue investigating the possibility of obtaining non-profit status.

**Website:** Governor Newman has posted the Cape St. Claire Road work on the website and again asked for official submissions. Governor Myers will submit the auditor's report.

**Covenants:** Governor Hazen has dealt with a couple of untagged vehicles, and thanked Governor Breeden for a resolution to the River Bay ATV situation.

**Buildings:** Governor Gardner mentioned a request for variance that has been submitted to the County but not to us, so we have opposed it as a matter of course. She has no luck getting in touch with the residents. She also requested appointment as a co-chair to the Roads Committee to help keep track of the Cape St. Claire road work. President Breeden appointed her.

*board in brief continued.....*

**Piers:** Governor Biondi said that piers contracts are coming in. It has been a quiet start to the season. In his role as the Goshen Farm liaison, he mentioned the successful event yesterday and noted that there are only 7 years left on the open space protection. He feels that the Board needs to make its support of Goshen Farm known. He reported that he has heard nothing back from the film company.

**Budget:** Committee chairman Buchet will have something to report after he has talked with President Breeden.

**Communications:** Governor Snow has gotten some Board chair job descriptions and would like to address them all at the next meeting.

**Erosion Control:** Governor Vaccaro submitted an email report telling us that Biohabitats has submitted a grant application to fund a study and master plan for Lake Claire beach, Lake Claire, and the drainage area.

**Caper:** Governor Lamb said that the Caper is still struggling with submittals by deadlines. She would like to spotlight residents in the community who are involved in "good deeds" and is looking for suggestions.

**Clubhouse:** Governor Lamb said rentals are improving, and she hopes to start the sidewalk work later in the spring. She also mentioned that there will be a community clean-up on June 27 and 28.

**Signboard:** Governor Lamb is working with Signs by Tomorrow to come up with a sign that would keep the community feel, and hopes to hear from him by the end of the week.

**Events:** Governor Myers said the Events committee met a couple of weeks ago and has begun planning the Fourth of July event and others, and will begin fundraising and solicitation to keep costs to a minimum.

**Membership:** Governor Norris submitted an email stating there was nothing new to report.

**Security:** Governor Breeden said that all has been quiet at the beaches and parks. There have been several assaults at the shopping center, usually teens assaulting and robbing other teens. It has been recommended by the AAPD and BLOA Security that we consider banning these teens from the shopping center, as has been done in the past.

*Thank You for Your Referrals*

# We are very pleased!

Thank you for doing a great job listing and selling our house and helping us purchase our new place. We called Mona and asked her to help us find a place that fit our budget, with no stairs and was close to our church and friends. She found us places nearby and helped us get the one we chose under contract - in about a week. Then Mona listed our house Which sold in less than two weeks. We are very pleased with our new home and with the professional care that you and your employees provided. We are thankful that we found you to take us through a purchase, a sale, and two settlements without a hitch. And we're grateful for your help in getting us access to the purchased home when we needed it before settlement and your help, advise, and guidance through the many details that came up during the process. You even got the settlement companies to make settlement possible for us on a bank holiday. Wow! You have a really great crew. We were very pleased with all that transpired and recommend you and your team without reservation to anyone needing a real estate professional.

This is not a solicitation for currently listed properties.

**OLD BUSINESS:**

President Breeden said that ATV situation on River Bay has been resolved. The traffic division of the AAPD visited the site and said that a MD Department of the Environment rule regarding ATV operation within 300 feet of a residence would be enforced. President Breeden will discuss updating the County Code with reference to these matters with Councilman Dick Ladd.

**NEW BUSINESS:**

Governor Gardner asked if there were any concerns about posting building permits in the Caper, with addresses and the nature of the permit. The Board thought it was a good idea and Governor Gardner will speak with Governor Lamb about it.

Governor Dembowski said that Lake Claire beach is reaching a critical stage and we may lose it this summer unless we act. He cited Governor Newman's prior work on the problem and solutions. President Breeden wants to look over Governor Newman's work and come up with a plan that will deal with that and the Main Beach, as well.

There was discussion of the top three priorities that each Governor was asked to come up with. Among the ideas put forth, the most urgent was dealing with Lake Claire. Others included the following: a walkway into the Main Beach, extending the Lake Claire crabbing pier to the parking lot, erosion control and stormwater management, minutes and financials posted on the website, raising residents' awareness of the Covenants, raising awareness of what the CSCIA does for the community, bathrooms on the Main Beach, a gazebo on the Main Beach, fencing the hill along the bulkhead at Deep Creek, developing a long-term budget and capital expenditure plan for the piers, a thorough audit of our technology capabilities and needs, welcoming new residents, a stop speeding campaign, a Clubhouse deck facing the water, a "get to know a Board member" series on the website and in the Caper. Governor Hazen will put all of the ideas together.

President Breeden met with a law firm that specializes in HOAs and real estate. They are less expensive than our current attorneys. He was impressed by them and would like to hire them as our attorney of record. Governor Dembowski moved that pending no further suggestions or alternatives within the next 10 days, President Breeden hire them. The motion was seconded by Governor Hazen and passed unanimously.

President Breeden mentioned that a security matter would necessitate a closed session.

Governor Lamb mentioned that the BLOA has been approached about cost-sharing a new sign board. She also discussed street lights and the requests to the County that are pending.

The Boy Scout, who was sitting in on the meeting, thanked the Board for allowing him to fulfill the requirement towards his Citizenship Merit Badge and said that he will be doing more volunteer work on the beaches.

**ADJOURNMENT:**

Governor Biondi moved that the Board adjourn to a closed session. Governor Dembowski seconded the motion. The March 10 regular monthly meeting of the Board of Governors was adjourned at 8:57 P.M.

**CLOSED SESSION:**

A closed session of the Board of Governors was convened at 8:59 P.M. and adjourned at 9:19 P.M.

**ATTENDANCE:**

Present were Governors Biondi, Breeden, Dembowski, Gardner, Hazen, Lamb, Myers, Newman, and Snow. Also present was Budget Committee chairman Buchet. Absent were Governors Norris, Vaccaro, and Veno,

# COUNCILMAN DICK LADD

## Anne Arundel County Council Fifth District

During February, the Council mainly considered annual administrative matters: special tax districts, bonding approval legislation, and appointments to a number of Boards and Commissions.

Severna Park High School construction funding continued to be widely discussed. Following the Interagency Committee on School Construction (IAC) meeting with the State Board of Public Works, which many of you attended, Comptroller Peter Franchot and County Executive Laura Neuman toured the high school. Both left with a clear, first-hand understanding of the school's condition and needs. During a brief meeting with the press after the tour, the Comptroller spoke of the compelling need to get started on the new school building. He did not mention any specific amount of State funding for FY15 but, in my opinion, left the door open for favorable consideration in a later meeting.

Coincidentally, the next day it was announced that \$2.8 million was allocated to SPHS for FY15 in the 4<sup>th</sup> of the 5 step IAC funding allocation process. The last allocation occurs about May 1<sup>st</sup>.

Concurrent with the funding discussion, much progress is being made in preparation for construction to include solicitation of bids, permitting and contract preparation work. Preparation for contract award is nearly complete and is scheduled to be presented to the Board of Education on March 5<sup>th</sup> for approval. Contract award will use the \$18 million provided in this year's (FY14) budget by the County for the initial ground preparation phase. Awards for the second phase -- FY15/16 funding ("vertical construction") -- and the third phase -- FY17 funding (demolition of the current school and re-establishing parking and athletic fields) -- are conditioned subject to the availability of funds, a standard practice in multi-year contracts.

The exact date of contract award is yet to be set but could be in the next 30 to 45 days, as soon as the funding picture for the second phase is clearer. Based on County Executive Neuman's statement that the County is going to forward fund the school based on the State's full commitment to their share, a credible funding profile should be known soon.

On another note, the bevy of snowstorms has yielded a bumper crop of potholes. As you encounter them on County roads, please call 410-222-7045 to report them. The number to report potholes on State roads is 410-841-1000. You can always call my office to report a pothole if you are unsure whether a road is owned by the County or the State - 410-222-1401.

These snowstorms also highlighted an old problem - snow removal on sidewalks. As a reminder of the County Code, routine care, maintenance, and snow removal is the responsibility of the property owner.

▪ § 9-1-709. *Snow and ice on walkways.*

*(a) **Prohibition.** The owner, user, or occupant of property situated on a street along which there is a paved sidewalk shall remove the snow and ice from the sidewalk fronting the property within six hours after the fall of snow except that, if it snows between 3:00 p.m. and 6:00 a.m., the owner, user, or occupant shall remove the snow and ice before 11:00 a.m.*

When sidewalks are not cleared and hard to traverse, students who walk to school have to walk in the street, which is not a good situation. So please be considerate of those students and remember to clear the sidewalks in front of your home.

After this winter, I'm sure we are all looking forward to spring.

## **Spring is for Planting!**

Now that spring is finally upon us, its time to think about planting trees! In order to prepare for spring planting, we will resume clearing vines and debris from the reforestation area across from 1037 Lake Claire Drive.

Mark your calendars for upcoming volunteer opportunities:

**Saturday, April 12th: 10am - noon**

**Saturday, May 10th: 10am - noon**

Be sure to wear gloves, long pants, long sleeves and sturdy shoes/boots. Volunteers of all ages are welcome!

## **Phragmites Update**

Tremendous progress clearing the phragmites was made this winter, in large part due to the heroic efforts of Linc Minor and Karen Poffel. Linc and Karen dedicated many, many hours cutting down phragmites in all kinds of weather throughout the winter. We are so fortunate to have such dedicated neighbors in the Cape. If you haven't been down to the lake to see the clearing, be sure to check it out.

Our burn permit was submitted in mid-March, and burning will commence once the permit is approved and arrangements are made with the CSCVFD.

We are excited to see what kinds of wetland plants will emerge this spring now that the phragmites has been brought under control. Measures to keep the phragmites from returning, as well as continued eradication efforts will be ongoing through the summer and fall. We have won the battle, but the war rages on!

If you would like more information about any of our projects, or have a question/suggestion, please contact Jennifer Vaccaro: [LakeClaire@comcast.net](mailto:LakeClaire@comcast.net)

## **Project Clean Stream**

April 5th: 9am to Noon Rain or Shine!

Come help clean trash and debris from Cat Branch Creek which feeds the Little Magothy River. This beautiful creek winds from Broadneck High School behind the lower fields, between Commander's Way and Walnut Ridge, under Cape St. Claire Road, to the headwaters of the Little Magothy River. We need lots of helpers to remove light trash, some tires and other junk. Prime meeting location is the main parking lot at Broadneck High School, Annapolis MD. Volunteers might be directed to other possible access / trash haul-out and parking locations since it's a really long creek! This event is open to volunteers of all ages! For more information, or to sign up for this event contact: Brad Knopf: (443) 324-1130 [bdknopf@gmail.com](mailto:bdknopf@gmail.com)

## **Need Help With Cape Cleanup?**

Cape Cleanup is a fundraising opportunity for Boy Scout Troop 783 of Cape St. Claire. The troop supports a number of Cape St. Claire community activities throughout the year. The proceeds of this fundraiser help the boys with camping and other scouting activities. For a donation of \$40 per truck load, the boys will take your junk to the dumpsters for you. All loads must be easily accessible or curbside. No junk automobiles, trailers, gas and propane tanks, tree trunks, old drums or tanks, liquids, hazardous waste, boats, tires, logs, paints, refrigerators or air conditioners. Please let them know if you need assistance to prepare your pickup.

To schedule a pickup, please email [cape-clean@troop783.org](mailto:cape-clean@troop783.org) or call 757-375-7948. For more information about the troop, please visit their website at [www.troop783.org](http://www.troop783.org). Thank you for supporting the troop.

# GOSHEN FARM PRESERVATION SOCIETY

The annual *Java & Jazz* event held at the CSCIA Clubhouse was a roaring success. Over eighty people stopped by to hear the wonderful music of the Jazz Perpetrators who once again provided their significant talents for free. Art and George Lewis put out a spread that was worthy of any upscale event. And while the event was scheduled to end at 5:00 p.m., the “Perps” played on until 5:30 and a lot of people stayed to the very end. They are a great jazz ensemble and if you did not get to hear them for free, you can find out where they are playing next at <http://jazzperpetrators.wordpress.com/>.

We want to give a big “Thank You!” to the events sponsors – M.D. Johnson, author of the The Isis Project Book Series; Davy Dance Academy; Connect Electrical Services; Jing Ying Institute of Kung Fu & Tai Chi; Terri Rafiq, Independent Consultant, Ambit Energy; and Blue Heron Bags. In addition, we are pleased to report that Mona LaCovey of Remax Advantage Realty and Beau Breeden of Delmarva Financial Services both renewed their corporate sponsorships at the event.

We were pleased to see our County Councilman for the 5<sup>th</sup> District, Dick Ladd in attendance. Dick seems to be in the Cape at least a couple of times a month, but this time it was pleasure or business. The music got to Dick who danced with former GFPS President and now GFPS Events Chairperson, Barbara Morgan and current GFPS Secretary, Sharon Biondi.

GFPS is not all play and no work. The clean-up of the interior of the house is about complete and we are ready for our final inspection. Once the house passes inspection, the renovation of the interior of the house will begin in earnest. Since the vandalism over the past decade had taken out all of the original windows, we have contracted with a firm to produce replica, period appropriate windows. Each will cost \$1,200 and we are looking for donors who will buy a window. Supporters will be recognized with a brass plaque placed on or near the window. We need a total of nineteen. The sooner the windows are installed and the house is completely weather proofed, the sooner we can do the interior renovations. We are also in need of a security system for the house. Please let us know if you can help in either of these areas.

You really owe it to yourselves to come to the Goshen Farm Open House – Garden party on April 12, 2014. Walk around the grounds and the garden and see how far we have come as we strive to preserve and protect this historic farm house and 22 acres of open space. Parts of the house may be open for a walk through. We will know soon. Stay informed by visiting <http://goshenfarm.org/>.

# GARDEN CLUB

Well what a tease this spring has been. Drifts of snow melt around us, but each day above 50 I can see the daffodils inching up and forming buds. The birds hop around as squirrels race by – spring cannot be held back forever! Sure enough: the hellebore buds emerge, and even a hardy cyclamen blooms in this garden. Soon, fellow Capers, soon! Prune back your sedums, fountain grasses, and other dead branches to make way for new growth. You can always visit our blog at [capegardenclub.wordpress.com](http://capegardenclub.wordpress.com) and click “What’s in the Garden” to learn more about caring for your garden in early spring or any other season.

The Garden Club celebrated our 39<sup>th</sup> anniversary with great gusto, enjoying a delicious potluck dinner in fantastic company, followed by a plant raffle full of eye-watering beauties to welcome in the new spring. Many thanks to all who contributed by buy plants, appetizers, beverages, decorations, and all the myriad things that make a dinner fun and beautiful – we all appreciate your contributions! We’re especially thankful to our still active founding members, Doris Clair and Kitty Donovan, who, with their friends, began this wonderful group so many years ago. We’re so grateful to stand on their shoulders as we continue gardening together.

Join us at our next meetings: Tuesday, April 1st and Tuesday, May 6<sup>th</sup>, both at 7pm in the clubhouse meeting room. We will continue the preparations for our annual May plant sale, including potting parties every Saturday in April. This year our sale will be on **Saturday, May 17<sup>th</sup>, 8am-2pm**, location TBA, depending on the road construction schedule – stay tuned and mark your calendars! Come visit us to see a large selection of mature perennials for sun or shade, dug from our very own Cape gardens, colorful annuals from a Maryland grower, an exciting collection of native and rare perennial plants, and a great variety of tomatoes, vegetables, and herbs. As always, there will be experienced and knowledgeable gardeners on hand to help and answer questions about planting and care. We love to chat with all our neighbors and friends, and we so appreciate your support of our annual club fundraiser. So come on out again to shop, get advice, beautify your garden, and support your Cape community, all in the same day!

If you have any old venetian blinds (plastic only) or old plastic plant pots of any size that you no longer need, our club would be happy to reuse these for our plant sale. Please drop them anytime in the driveway at 1121 River Bay Road. Thank you!

If you would like to attend our meetings, come anytime – all are welcome! If you have any questions or suggestions, please email Laura at [flokell@verizon.net](mailto:flokell@verizon.net) or phone her at 410-349-3390.

*Jesus refers to his coming death twice as he heads toward his crucifixion. Instead of running away from suffering, he embraces it – step by step. Jesus calls us to take up our own cross and to follow him. Jesus challenges us to put others before ourselves and join God's mission to transform the world in love.*

*As you make your own Lent journey from Ash Wednesday on March 5<sup>th</sup> to Easter on April 20<sup>th</sup> and are reminded in this time of our broken humanity, we pray that as the days grow brighter you will experience greater abundance and recognition of God's redeeming grace. Lent invites us to make our hearts ready for remembering Jesus' death and resurrection.*

***Please join us:***

***April 13<sup>th</sup> – Palm Sunday – 9:30 am and 11:00 am  
(with Easter Egg Hunt between the services)***

***April 17<sup>th</sup> – Maundy Thursday – 7:00 pm***

***April 18<sup>th</sup> – Good Friday – sanctuary open

# 2014 CAPE CLEAN-UP

Friday, June 27<sup>th</sup> & Saturday, June 28<sup>th</sup>  
Corner of Broadview and Cape St. Claire Road

Anne Arundel County Waste Management has graciously offered Cape Residents a weekend in June for our 2014 Clean-Up. The Clean-Up will begin as soon as the County arrives on Friday (before Noon). We will make every effort to operate the Clean-Up until 4:30 PM on Friday, space permitting. On Saturday the 28th the Clean-up will begin at 7:30 AM and continue until approximately 2:00 PM, space permitting. In an effort to protect our environment and dispose of our trash properly, Anne Arundel County will be providing the clean-up with cans for recycling and 2 on-site Anne Arundel County Employees to assist the residents with the proper disposal of their TRASH. When you arrive at the clean-up you will be asked to dispose of your TRASH in the proper cans. Please keep this in mind as you load your vehicles. Try to keep your recyclables together (Glass, Cardboard, Paper, Metals etc...).

The following is a list of unacceptable materials:

- ♦ Junk Automobiles
- ♦ Trailers
- ♦ Gas and Propane Tanks
- ♦ Tree Trunks
- ♦ Oil Drums or Tanks
- ♦ Liquids
- ♦ Hazardous Waste
- ♦ Boats
- ♦ Tires
- ♦ Logs
- ♦ Paints
- ♦ Refrigerators
- ♦ Air Conditioners

If you should have any questions about the clean-up please contact **Mary Lamb** at **410-757-0593**.
