Cape St. Claire Improvement Association, Inc. Community Newsletter

JULY & AUGUST 2013

CSCIA Quarterly Membership Meeting • Tuesday July 23rd • 7:30 PM • Clubhouse
Guest Speaker County Executive Laura Neuman

PRESIDENT'S MESSAGE

It's been a busy time for CSCIA board members and all of the volunteers that help to keep things running. As summer kicks into full swing, the amenities of Cape St Claire are often pushed to their limits. Taking on additional projects to improve the community can be so overwhelming that it just doesn't make sense to bite off more than can be properly chewed.

I want to recognize a few Cape residents for their tireless devotion to a few projects and the day to day activities that are required to keep the association strong and healthy. First, the volunteers serving on the Piers committee have done an incredible job of proactive maintenance and inspections of the piers, and facilitating the daunting task of fulfilling the needs of slip renters at Cape piers. Although the majority of residents don't hold a slip, the marinas are a huge asset to the community and help keep the property values where they should be.

Jennifer Vaccaro has been a true champion among champions for her work on the Lake Claire restoration effort. Her knowledge and dedication to the project serves as great inspiration to the rest of the devoted volunteers of the project. And without a doubt, the hours put in by Eric Wasiuta clearing the trails to gain access to the lake were the cornerstone of the entire project. We have had more than 60 volunteers put in time removing trash, debris and the invasive species from the lake area, and I wish I had the space to thank them all by name.

Although he'll probably put me "on the list" for calling him out publicly, I want to thank Beau Breeden for his outstanding job handling covenants and zoning complaints, issues such as "The Pit" and for being a great example for the rest of us to look up to. More importantly, I want to thank him for his friendship and support.

If I had more space, I'd throw out the names of all the residents I can recall that simply pick up a little extra trash while walking the beaches and parks, the people that act as our eyes and ears for the remote properties in the Cape, and the people that do so much more and never ask for anything in return. You know who you are, and I hope you know how much I appreciate the things you do.

So with the year more than halfway over, I'm still just as excited as I was on January 1st to be living and working with so many great people. In fact, the rest of the year is looking even more promising.

Scott Dembowski
CSCIA President

2013 STRAWBERRY FESTIVAL

BOARD IN BRIEF

The June 2013 CSCIA Monthly Board of Governors meeting was convened on June 10, 2013 at 7:30 P.M. in the Cape St. Claire Clubhouse, Cox Meeting Room.

President Dembowski welcomed all.

Minutes and Profit and Loss Statements (P&Ls):

May 13, 2013 CSCIA Monthly BOG meeting minutes: Governor Gardner made a motion to approve the minutes. Governor Biondi seconded the motion and it was approved.

April 30, 2013 Profit and Loss Statements (P&Ls): Governor Biondi made a motion to table these P&Ls until the next meeting. Governor Veno seconded the motion and it was approved.

A non-resident came in to discuss a towing issue. Governor Biondi moved that the agenda be suspended to allow her to express her concerns. Governor Breeden seconded the motion and it was approved. The visitor explained her circumstances and asked the board to consider some financial assistance to cover part of her cost. It was noted that the towing company has specific instructions on when to tow and that her vehicle met their criteria. After some discussion, the Board decided that returning money that the tow company collects would set a bad precedent, and the request for financial assistance was denied.

Committee Reports:

Roads: Governor Campbell commented that he and Governor Veno have been trying to obtain updates from the County regarding Cape St. Claire Road. He also noted that a neighbor had mentioned that a speed bump on Southview was not doing a good job at controlling speed.

Budget: Budget Committee member Toy had nothing new to report.

board in brief continued.....

Thank You for Your Referrals

2 Acceptable Contracts in 14 Days.

If you want to sell your home, ask Mona. She helped me stage the house and time the listing for the quickest sale. Within 14 days I had two acceptable contracts and my home is now owned by a family who will treasure it as much as I have.

board in brief continued.....

Piers: Governor Biondi noted that it was a real benefit having a piers committee to work with and he appreciates their help. They have decided to proceed with finalizing plans to replace the T-pier at the end of the Deep Creek Large Pier. They will be reviewing a proposal for a video surveillance system at both Deep Creek and Lake Claire, and also reviewed and approved a proposal to replace the electrical system at Lake Claire. A new Deep Creek bubbler system will be installed in the fall. There was mention of several areas needing repairs.

Buildings: Governor Gardner reported that the County granted a variance, which the CSCIA opposed, to a resident at a May 16 hearing. There was discussion of the somewhat confusing legal issues involved and whether the CSCIA will be appealing the decision. Governor Biondi will be meeting with an attorney on Friday to discuss the situation.

There was mention of a construction billboard on Cape St. Claire Road. Governor Breeden will send a letter asking for its removal.

Membership: Governors Snow and Norris will begin cleaning the pantry on June 22nd. The County Executive will be the guest speaker at the July quarterly membership meeting.

Clubhouse: Governor Lamb thanked all those who helped at the Strawberry Festival. She expects to have bids on the Clubhouse re-roofing this week.

Caper: Governor Lamb has sent letters to all the advertisers advising them of advertising and discounts.

Covenants: Governor Breeden said there were 14 open cases, down from 41 last month.

Security: Governor Breeden noted that several incidents in the past month have resulted in some people being banned from the beaches and parks for a year. Letters will be going out to the offenders as well as their parents.

It was mentioned that Governor Mooneyhan had a productive meeting with the business owners' association and that several are donating prizes for the 4th of July parade.

Beaches and Parks: Governor Dembowski noted that a plastic roof on the main beach playground had been destroyed and that a new one was on order. He said that the Friends of Lake Claire had met with a neighbor who is with the State eradication board to discuss spraying. There will be one more cutting of phragmites this summer and the eco-goats will begin working in the ravines.

OLD BUSINESS:

There was no old business.

NEW BUSINESS:

Governor Lamb mentioned the possibility of getting a shed, similar to the new one at Deep Creek, and placing it near the garage to store some of the stuff currently crowding the garage.

COMMENTS:

Governor Dembowski thanked the Board for their support.

ADJOURNMENT:

Governor Biondi made a motion to adjourn from the regular monthly meeting. The motion was seconded by Governor Breeden and it was approved unanimously. The regular June 10, 2013 CSCIA Monthly BOG meeting was adjourned at 8:46 P.M.

ATTENDANCE:

Governors Biondi, Breeden, Campbell, Dembowski, Gardner, Lamb, Snow and Veno were present. David Toy of the Budget Committee was also present.

CSCIA Quarterly Membership Meeting
Tuesday July 23rd • 7:30 PM • Clubhouse
Guest Speaker County Executive Laura Neuman

CAPE ST. CLAIRE VOLUNTEER FIRE COMPANY

CSCVFC CHANGES

We are excited to welcome Jessica Rindos as our new company President. Jessica has been a company member for three years and County Funds Treasurer for two and half years. Morgan Parker resigned due to being relocated with his job, after serving a year and a half as President. We wish him all the best!

SUMMER FUN

Summer is a time for family, friends and fun! Here are some helpful tips to keep injuries out of your summer plans.

POOL SAFETY

1. **Supervise constantly:** Good supervision means you are able to scan the pool area every 20 seconds and be able to reach the pool in 10 seconds.
2. **Put multiple safety barriers between children and the pool:** Install a four-foot fence with a self-closing, self-latching gate that has a locking mechanism beyond a child's reach. Also cut overhanging tree limbs and remove chairs or ladders from the pool area to prevent children from climbing over the fence surrounding the pool.
3. **Always check the pool first if a child is missing:** Child drowning is often a silent death that alerts no one with splashes or yells for help. Many drowning accidents happen when children have been missing for less than five minutes.
4. **Empty small wading pools and remove all toys after children are through playing:** Infants can drown in just a few inches of water. Floats, balls and other toys may attract children to the pool when it is unattended.

BACKYARD SAFETY

1. **Keep grills at least 10 feet from any structure:** Grilling mishaps cause more than 8,300 fires and send 3,000 people to the emergency room each year. Never grill indoors or near garages or porches, even if it's raining.
2. **Have a spray bottle or fire extinguisher handy:** An unexpected flare up can burn more than your burgers. Use a spray bottle to avoid flare ups and have a fire extinguisher nearby. Also, coals get hot – in some cases up to 1,000 degrees Fahrenheit – so dispose of charcoal away from kids and pets and cool it down with a hose.
3. **Never use gasoline or kerosene to light a charcoal fire:** Both can cause an explosion. When grilling, use insulated, flame-retardant mitts and long-handled barbeque tongs and utensils to handle food and coals.
4. **Check gas grill hoses for cracking, brittleness, holes and leaks:** If the tank valve or grill needs repair, do not attempt to do it yourself. Take it to your local home improvement store or qualified appliance repair person.
5. **Inspect outdoor decorative lights carefully:** Some families add backyard ambience with outdoor decorative lighting. Do not connect more than three midget light string sets together. Light strings with screw-in bulbs should have a maximum of 50 bulbs connected together. Be sure to use light strings bearing the UL Mark, which means UL has tested samples of the product for risk of fire, electric shock and other hazards.

Sunday Worship Service - 9:00 am

Summer is now in full swing and the Cape has movement everywhere. It looks like we are in for a busy hurricane season and we will need to prepare for the action. Faith is all about putting your trust in God's love and care for all. Living in Louisiana for the first 60 years of my life I am very familiar with the approach and destruction of hurricanes, but I also am very familiar with turning to God in all of life's struggles. Do you want to feel more secure in what you believe? Think about visiting us throughout this season. Remember, although we have cut back on our regular activities, **"WE STILL WORSHIP GOD!"** Come and worship with us at Cape UMC.

VACATION BIBLE SCHOOL

"Investigation Destination"

Sunday, July 28th - Thursday, August 1st. Ages 3 thru 5th grade

5:30 to 6:00 - Family Dinner (Adult must be with child at dinner) - 6:00 to 8:30 - VBS Program

Includes Program, CD & T-Shirt (if registered by 7/22)

Prior to July 22nd (Pre-Registration deadline) \$15 per child/week - \$30 per family/week

After July 22nd (CD/T-shirt cannot be guaranteed after this date) \$20 per child/week - \$40 per family/week

"Investigation Destination" VBS Celebration Sunday - Sunday, August 4th

◇ **Bibles on the Beach - Main Beach at the Overlook - Summer Bible Study for Women**

Offered the following Tuesdays : 7/9, 7/23, 8/6, 8/20 at 7 p.m.

◇ **Serving Sunday Service with Breakfast Fellowship - June 30th at 9 a.m.**

Serve others in our community through your willingness to go out to them.

◇ **Coffee at the Point** - Thanks to all who helped with or contributed in any way to this meaningful outreach to our high school students. We will resume this program in the fall .

COUNCILMAN DICK LADD

Anne Arundel County Council Fifth District

June Article

The County's FY14 budget is full of good news this year. County and Board of Education employees are slated to get pay and "merit" increases in 2014 and, in cases where a two-year contract has been agreed to, similar 2015 increases. Library operating hours are budgeted to increase. Construction funding is provided to start the new Severna Park High School and to modernize Benfield Elementary School. Funding will support a late spring start or groundbreaking – often that means in April -- with activity picking up after the end of the spring sports season. I believe the votes are there to start both schools in 2014 with completion by September 2016.

The Department of Recreation and Parks is slated to install turf fields at Kinder Park. I sought this improvement in anticipation of much heavy use while fields at SPHS are unavailable during construction of the new high school. In a remarkable display of public-private cooperation, the Green Hornets are partnering with Recreation and Parks to fund the project design costs. This magnanimous support and cooperation made this project possible and will contribute greatly to the community.

With the Storm Water Management bill signed into law, refinements will continue to be made over the next couple of months. Following the veto override and passage of Bill 2-13, the County Executive submitted a revised FY14 budget (Bill 46-13) which included the additional income and implicit expenditures approved by Bill 2-13.

The revised budget establishes the Watershed Protection and Restoration Special Fund and Program or as it is known in the budget, the Watershed Protection and Restoration Fund (WPRF). For FY14, a total of \$76.7 million is proposed for Countywide construction projects.

DPW is managing the WPRF projects based on "watersheds" of which there are 12 in the County. Severna Park and the Broadneck Peninsula are in the Magothy and Severn River watersheds.

Through FY19, a total of \$109 million is currently programmed for capital or construction projects for the Magothy and Severn Rivers. All projects are categorized into one of four activity groups or classes: Streams, Outfalls, Public Ponds and Community Ponds.

The first two groups require substantial detailed design and engineering work plus permitting from several federal and state agencies. These steps are well underway and the rate of spending for streams and outfalls will increase as these preparations allow. In the meantime, ponds will be upgraded.

Budget documents allocate the \$109 million into the following categories for both sides of the Magothy and Severn Rivers over the next six fiscal years:

	FY14	FY15	FY16 (\$000)	FY17	FY18	FY19
Streams	2,421	5,021	1,755	13,516	23,139	
Outfalls		12,251	20,555	167		15,438
Public Ponds		3,430	77		341	333
Private Ponds	<u>10,762</u>					
TOTAL	13,182	20,701	22,387	13,783	23,480	15,771

Each of the 12 watersheds are further divided into "sub-watersheds" that are given a restoration priority or color code based on condition and urgency of need: red, orange, yellow and green. The map below reflects the Severna Park and Broadneck Peninsula sub-watersheds and their restoration priority.

See attached map

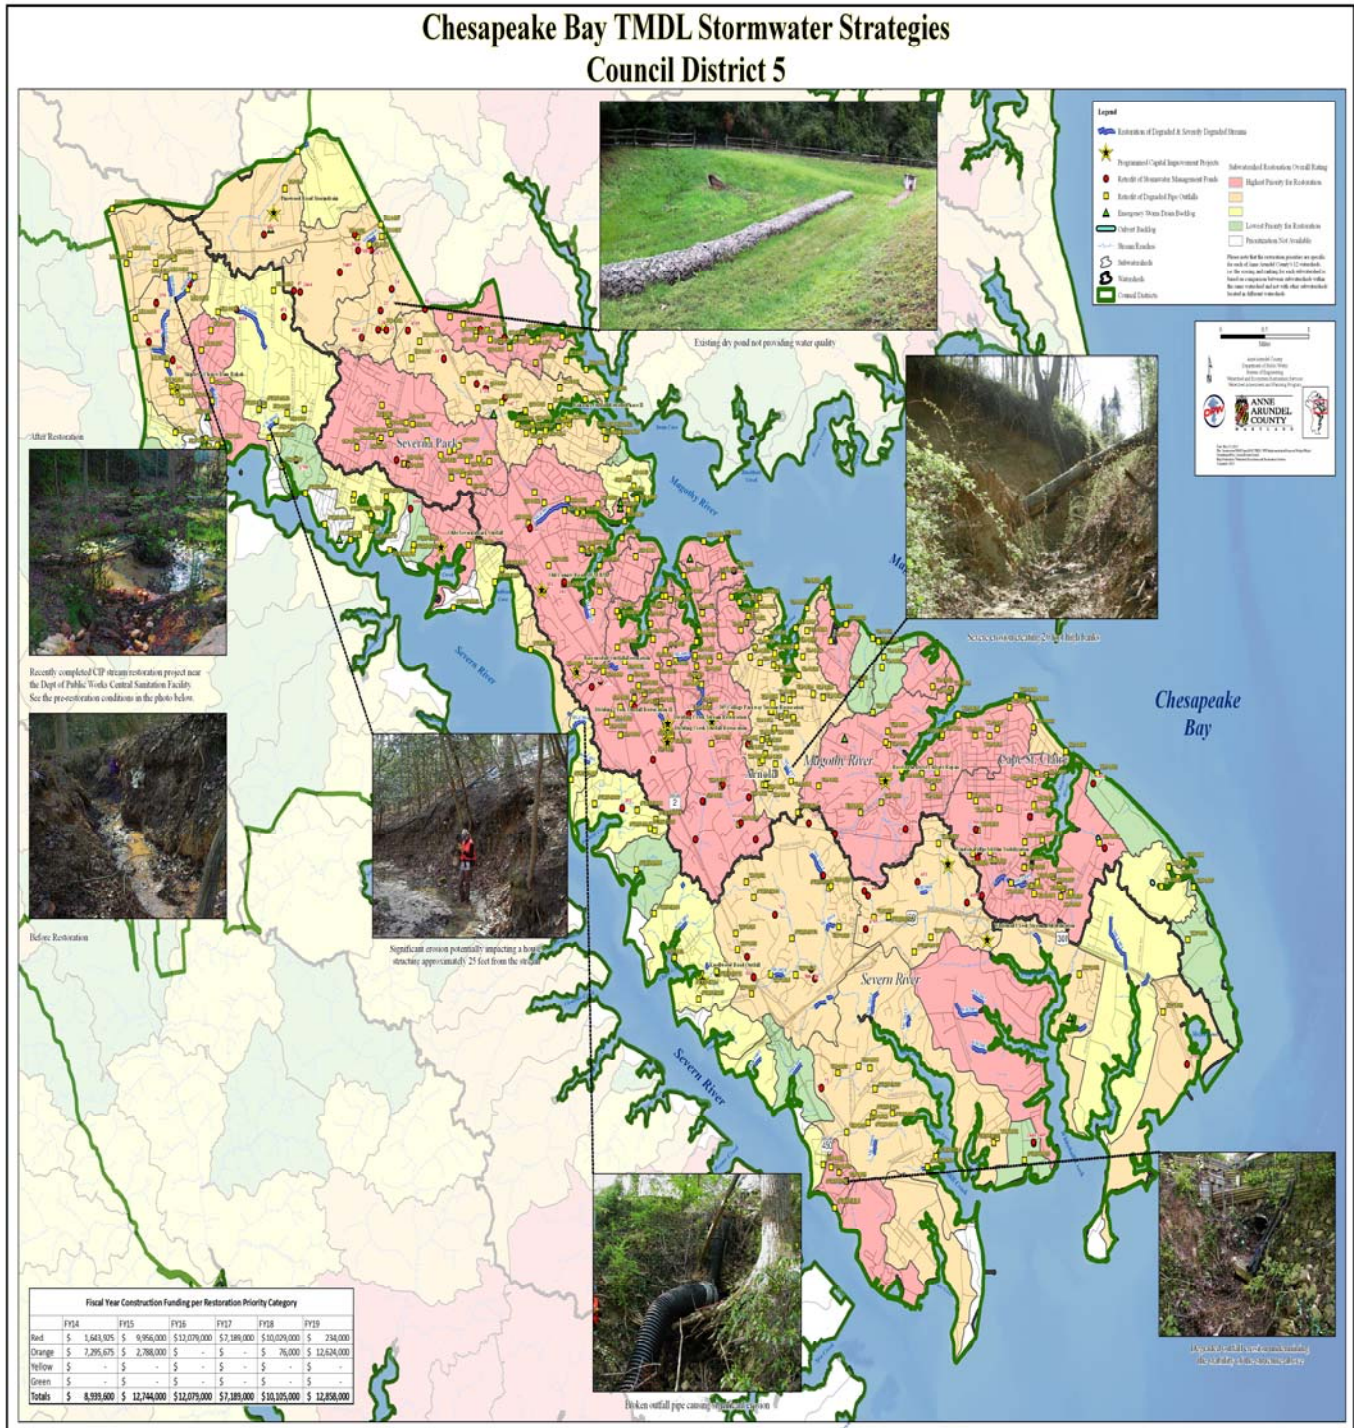

In the next six years, DPW estimates about \$64 million (59% of above allocation) will be spent on construction throughout District 5 (Severna Park and the Broadneck Peninsula) plus several million for backlogged maintenance and repairs in FY14 and FY15.

	FY14	FY15	FY16 (\$000)	FY17	FY18	FY19
Red	1,644	9,956	12,079	7,189	10,029	234
Orange	7,296	2,788			76	12,624
Yellow						
Green						
TOTAL	<u>8,940</u>	<u>12,744</u>	<u>12,079</u>	<u>7,189</u>	<u>10,105</u>	<u>12,858</u>

Councilman Dick Ladd continued.....

These are big numbers and represent a huge investment in cleaning up (sustaining and preserving) our community – our peninsula's streams, creeks and rivers. These estimates will change and adjustments will be made. The fee/tax structure enacted covers the slower construction rates through FY17. Increases are planned beyond FY17 subject to review and approval by the County Executive and County Council. That approval will be “informed” or reconciled with the progress made by other Counties and progress in resolving the Conowingo Dam situation.

Initiation and support of these infrastructure enhancements with and through a direct, dedicated funding source is a positive step of fiscally-prudent stewardship which I believe will serve our community and Anne Arundel County well for decades to come!

COUNCILMAN DICK LADD
Anne Arundel County Council Fifth District
July Article

Earlier this month the County Council passed County Executive Neuman's FY2014 budget. The process was notable in several ways:

- The process was less acrimonious than previous budgets, in large part due to the improvement in our revenue situation and the improved relationship between the County Executive's Office and the unions;
- The budget was adjusted shortly after its submission to incorporate the Watershed Preservation and Restoration Fund (WPRF) established by the Council as mandated by the State; (The details of how the WPRF will impact Severna Park and the Broadneck Peninsula were covered in my last Voice article.)
- Funding in the County's depleted contingency and reserve funds were restored to pre-recession levels. These reserves also provide revenue predictability to the Board of Education and the Anne Arundel Community College, which depend on County funding.

First the revenue side: Revenue estimates are up nearly \$100 million (including the WPRF) or nearly 7.5 % over FY2013. This includes an increase in property taxes as allowed by the Charter (about \$26 per average household); higher income tax receipts from an improving economy; property recordation and transfer fees slightly below FY2013 actuals but substantially above our FY2013 budget estimate; and higher "fund balances" or projected cash on-hand that will carry forward to FY2014, which is much better due to the improvement in the 2013 real estate transfer fees.

The Council reduced the proposed 5% increase in water and sewer rates to 3% -- a reduction of \$10 million in revenue to the County water and sewer utility funds based on funds available.

On the expenditure side, the Council funded the County Executive's proposed 3% pay raise (the first in many years) effective January 2014 plus 3% merit increases. Additional public safety capability was funded for the area around Arundel Mills Mall and "Maryland Live".

In addition to the funds for local stream and bay restoration, the budget provided \$18.5 million for Severna Park High School and \$5 million for Benfield Elementary for spring 2014 construction starts leading to fall 2016 occupancy. Funding for turf field improvements at Kinder Park was also approved.

The Council deleted out-year construction funding for three elementary schools including Arnold Elementary pending completion of an update to the Board of Education school construction plan (MGT). As indication that the Council supports the three schools, it added \$750,000 to complete a feasibility study for each one.

The out year pressure on the capital budget is mounting with the need for a new police training facility, recapitalization of the library system, the Community College and the County IT systems and network. (Note: a new Severna Park library is programmed as No. 4 in line but more than a decade away.) That category of "infrastructure backlog" is estimated by the Budget Office to be at least \$2 billion – roughly a 20-year "recapitalization" plan under foreseeable funding patterns.

Along with restoring our reserve accounts, the budget starts bringing the average age and mileage of our vehicle and maintenance equipment fleet back to manageable proportions.

Acknowledging that I will be precisely wrong in some cases, with the County's 2.56% income tax rate and its current property tax rate, Anne Arundel County's property and income tax costs are lower than Baltimore, Harford, Howard, Montgomery, Prince George's Counties and the City of Baltimore, which leads me to think of Anne Arundel County as a very high quality, cost effective place to live.

Have a great summer and be sure to call or e-mail me with any questions, comments, or suggestions you may have. dladd@aacounty.org or 410-222-1401

ENTER THE CAPE ST. CLAIRE CALENDAR PHOTO CONTEST

Recently taken a great photo of Cape St. Claire or the Chesapeake Bay? The 2014 Cape St. Claire Community Calendar is sponsoring a photo contest. The winning photo will be published on the front page of the 2014 calendar. A \$100.00 cash prize will also be awarded.

The photo contest is limited to Cape St. Claire residents, lot owners, and Cape St. Claire Shopping Center business employees or owners. There is no age limitation. Previous calendar contest winners may also enter photographs. Photos submitted for the previous contest may also be reentered. If your photo is selected, having a **high quality** digital copy of your photo on CD/DVD will be very helpful.

To enter, drop off your photos at *Cape True Value Hardware* in the Cape St. Claire Shopping Center.

Photo submission deadline is Thursday, October 3, 2013. Photos must be submitted in a horizontal 8" x 10" format in either color or black and white. The subject matter must pertain to the Cape St. Claire area or the Chesapeake Bay. The winning photo will be selected by the CSCIA board of governors and will become property of the CSC Improvement Association. The winner will be announced in a following issue of *The Caper*. Photos that were not selected can be picked up at *Cape True Value Hardware* two weeks after the contest deadline. For questions, call Amy Podd at 410-757-7295.

2014 CAPE ST. CLAIRE CALENDAR PHOTO CONTEST

Please tape this coupon to the back of each photo submitted. You may submit as many as 5 entries.

Name of Photo _____

Your Name _____

Address _____

Telephone _____

I give permission to the 2014 CSC Community Calendar to publish my photo on the front page of the calendar if it is chosen as the winning photograph. The winning photo will become property of the CSC Improvement Association. I acknowledge that the CSCIA, A.P. Business Solutions, the 2014 CSC Community Calendar or Cape True Value will not be held liable for any damage, theft or loss of any photos I enter in the contest.

CAPE CLEAN-UP

Friday, October 4th & Saturday, October 5th
Corner of Broadview and Cape St. Claire Road

Anne Arundel County Waste Management has graciously offered Cape Residents a weekend in October for our 2013 Clean-Up. The Clean-Up will begin as soon as the County arrives on Friday (before Noon). We will make every effort to operate the Clean-Up until 4:30 PM on Friday, space permitting. On Saturday the 5th the Clean-up will begin at 7:30 AM and continue until approximately 2:00 PM, space permitting. In an effort to protect our environment and dispose of our trash properly, Anne Arundel County will be providing the clean-up with cans for recycling and 2 on-site Anne Arundel County Employees to assist the residents with the proper disposal of their TRASH. When you arrive at the clean-up you will be asked to dispose of your TRASH in the proper cans. Please keep this in mind as you load your vehicles. Try to keep your recyclables together (Glass, Cardboard, Paper, Metals etc...).

The following is a list of unacceptable materials:

- Junk Automobiles
- Trailers
- Gas and Propane Tanks
- Tree Trunks
- Oil Drums or Tanks
- Liquids
- Hazardous Waste
- Boats
- Tires
- Logs
- Paints
- Refrigerators
- Air Conditioners

If you should have any questions about the clean-up please
contact Mary Lamb at 410-757-0593.
