BOARD IN BRIEF

CSCIA BOARD OF GOVERNORS MONTHLY MEETING APRIL 11, 2011

The April 2011 CSCIA Monthly Board of Governors meeting was convened on April 11, 2011 at 7:30 P.M. in the Cape St. Claire Clubhouse, Cox Meeting Room.

President's Remarks: President Gallagher presented the agenda for the meeting and made brief opening remarks, including:

Council member Dick Ladd will attend the April 26th CSCIA Quarterly Membership meeting.

Welcomed Dr. Bruce Campbell back as a CSCIA Board member and assigned him to chair the Membership Committee.

Minutes and Profit & Loss Statements (P&Ls):

A motion was made and approved to accept the Minutes of the February 14, 2011 CSCIA Monthly BOG meeting. A motion was made and approved to accept the amended March 14 CSCIA Monthly BOG meeting minutes. A motion was made and approved to accept the February 28, 2011 Profit & Loss Statements.

COMMITTEE REPORTS:

Roads: Governor Dembowski reported that repaving work on Hampton Road should be completed by next week. He also re-painted the "Welcome to Cape St. Claire" sign on Green Holly Drive and commented that this sign will soon need replacement due to age.

Building: Governor Mooneyhan reported that she issued two stop-work orders on construction projects. Also, in an effort to ensure proper CSCIA insurance coverage at the best possible cost, she continues to work on determining community-property replacement costs and will get cost estimates from our current insurance carrier and possibly other brokers.

Pat and Danny Miller: Proprietors of the River Bay Roadhouse restaurant in the Cape Shopping Center were provided an opportunity to address the Board of Governors to seek approval for a drive-thru window on the side of their building, between them and the Bank of Annapolis. If approved, this drive-thru window would only be open in the evening hours after the Bank closes and on week-ends. ...After lengthy Board discussion, including liability

issues, required signage enhancements, customer conveniences, traffic concerns, the drive-thru window located on the passenger side of the vehicles, and other related subjects...a motion was made and approved to allow the River Bay Roadhouse to have a drive-thru window for a 6-month trial period.

Beaches and Parks: Governor Newman reported a tree-cutting issue at the Deep Creek pier area that for legal reasons would require a Closed Session meeting after the regular Board meeting.

Caper: Governor Lamb reported that an improved process of addressing the Caper has resulted in a better delivery of the Caper and at a cheaper cost.

The deadline for articles and ads is the 12th of the month.

The Caper is published ten months a year and sent bulk rate to all residents of Cape St. Claire, all nonresident lot owners, local government officials and advertisers. Copies are also available in CSCIA Office, Broadneck Library and local stores.

POLICY FOR ARTICLE SUBMISSIONS

All submissions for *The Caper* must be received by the editor by the 12th of the prior month. Submissions should be emailed as Microsoft Word attachments (PC only) to: **capereditor@cscia.org**, or dropped off (on disc or CD) at the Clubhouse. Articles must be submitted electronically. DO NOT submit as inline text of email. All articles should be clearly labeled with the 1) submitter's name, 2) phone number, 3) article filename (s), 4) software product and 5) version used. Please keep a backup copy of each file and do not submit disks containing extraneous files. After *The Caper* processes each article, the submitter's disk can be picked up at the CSCIA office during regular hours. *The Caper* Staff and the Cape St. Claire Improvement Association reserve the right to refuse any article, letter or advertising that it deems inflammatory, in poor taste or inappropriate.

(Continued from page 1)

Piers: President Gallagher reported that a 40' to 60' section of pilings at the Deep Creek area will soon need to be replaced, along with some pilings at the Lake Claire pier. He also reported that the Deep Creek slips are booked, so the only slip moves will be at Lake Claire and Little Magothy pier areas.

OLD BUSINESS:

Governor Newman reported that he continues to work with the Department of Natural Resources to research solutions to the Lake Claire beach erosion control issue, including shoreline stabilization efforts and a possible zero percent loan opportunity if we become an SECD (Shore Erosion Control District). He distributed several

handouts with the intent of having the Board members evaluate the information, and then discuss specific issues and recommendations at the May 9, 2011 CSCIA Monthly BOG meeting.

Comments from the floor: Lou Biondi commented that as a resident of the Cape, he is not happy with the traffic changes the Board allowed in the area of the River Bay Roadhouse restaurant, as traffic problems already exist there, and the Board's approval of a drive-thru window only exacerbates an already bad situation.

Attendance: Governors Berley, Campbell, Daly, Dembowski, Gallagher, Gardner, Lamb, Mooneyhan and Newman were present. Budget Committee member Buchet was also present.

Adjournment: The regular April 11, 2011 CSCIA Monthly BOG meeting was adjourned at 9:25 P.M.

Closed Session Meeting: A motion was made and unanimously approved to enter into a Closed Session meeting for the purpose of discussing legal issues. The Closed Session meeting was convened at 9:30 P.M. and was adjourned at 9:40 P.M.

Graul's Markets are gearing up for their 9th "Graul's Fights Cancer Days" to raise money for the American Cancer Society and the fight against cancer. The Annapolis and Cape St. Claire Graul's Market locations will be celebrating on Thursday, May 19th. The Ruxton, Mays Chapel, Hereford and St. Michaels locations will be celebrating on Saturday, May 21st.

In 2003 cancer took the life of Harold Graul, Sr., the founder of Graul's Markets. He defined what it meant to be a community-minded businessman, always making it a priority to give back

to the community. The family legacy continues with Graul's Fights Cancer Days and support of the Relay for Life.

Last year's effort raised more than \$51,200.00 for the life-saving research, programs and patient services of the American Cancer Society. In total, the "Graul's Fights Cancer Days" have raised nearly \$480,000.00.

Graul's will donate 5% of the day's store sales, plus the proceeds from various raffles and other activities to the American Cancer Society. Each store will feature a fantastic One Day Sale, a variety of special events, raffles to win:

- Apple iPad
- signed sports memorabilia & tickets

Gift Baskets

Additionally, \$1 hot dogs with a beverage, a balloon artist, face painters and mascot visits including the Pillsbury Doughboy and the Raven's Mascot.

This is perhaps one of the easiest ways that you can get involved in the fight against cancer. Simply by doing your family's shopping on a specific day, you will be helping thousands of cancer patients and their families.

To learn more about how you can get involved in "Graul's Fight Cancer Days," please call or stop by the location nearest to you or visit our website at www.graulsmarket.com.

2011 Swim Lessons

The Cape St. Claire Swim Club has offered summer swim lessons to the community for over 20 years at a reasonable price in a convenient location.

With no more than six (6) students to an instructor, every child gets the attention they need. Our lessons are grouped by ability at an evaluation prior to start of lessons so that every swimmer finds their level.

Swim lessons at the Cape Pool are led by an award-winning AACPS Physical Education teacher, who also leads the Cape St. Claire Dolphins Swim Team. All of our instructors have years of swimming experience! Class times are Monday-

Thursday, 9:30-10:00 a.m. or 10:00-10:30 a.m. – for a total of four, thirty-minute lessons.

Cost: \$40 for Members of CSCSC.

\$50 for non-members of CSCSC

Garden Club

At our March meeting, the Garden Club celebrated the 36th anniversary of our club. Two of our founding members, Kitty Donovan and Doris Clair, are still with the club, and we are so grateful to them for starting it all! We all enjoyed a delicious potluck dinner, a wonderful plant raffle, and the delightful company of our fellow gardeners.

Then at our April meeting, the Club continued gearing up for its annual Plant Sale, to be held this year on **Saturday, May 14th, 8am-2pm**, in the grassy lot across from Graul's. Please come and browse through the mature perennials dug and divided from our own gardens, colorful annuals, herbs and vegeta-

Goshen Farm Preservation Society

Did You Know?

Henry Woolchurch was the original "owner" of the land that eventually came to be known as Goshen Farm. He was among the first to arrive from Virginia and settle in Providence on Greenbury Point, as evidenced in James Ehlen Moss's book "Providence, Ye Lost Towne at Severn". The book lists Henry as "on the adventure" and "Ye commissary".

Henry's life started out more difficult than many, an orphan. The records of St. Mary Woolchurch Haw, London state: "31 Jan. 1622/23. A child left in our Parish and named Henry Woolchurch". Nothing is known of Henry's upbringing, and he appeared in America prior to 1651. It is likely that he came as an indentured servant, but there is no "headright" claim in the record. His first appearance in the land records of Anne Arundel County is in November 1653, when he bought the land of Richard Young along Deep Creek and the Magothy River. He very likely participated in the Battle of the Severn in 1655.

By 1658 Henry had converted to Quakerism, as had many of his neighbors.

In 1662 he was granted the land that would be called "Leonard's Neck", presumably named for Leonard Calvert.

In 1669, the 290 acres that comprised "Leonard's Neck" was assigned to Alexander Gardiner and John Wray from Henry Woolchurch "of Severn River". John Wray's portion was eventually purchased by John Pettibone Gardiner and became Goshen Farm. Alexander Gardiner's portion passed to his stepson, Edward Gibbs, and in turn became the property of St. Margaret's Church.

Henry, his wife Elizabeth, and daughters relocated to Talbot County, along the Choptank River and Tred Avon (Third Haven) river, in present day Easton. In 1682 he was one of 5 men from the Third Haven Friends Meeting who purchased three acres of land on which the Old Quaker Meeting House was constructed. The building still stands, and is reported to be the oldest operating religious structure in Maryland.

The great fire of London in 1665 destroyed the church that was Henry's namesake. The London

Mayor's Mansion House was rebuilt on the site. The Parish was merged with St. Mary Woolnoth.

Upon his death in 1695, he left almost 1200 acres to his heirs. Having no sons and four daughters, Henry's name, like the church that gave him that name, ceased to exist.

There is still a place, close to home, where the name Woolchurch survives. Near the mouth of the Severn, directly opposite the US Naval Academy's Dewey Field, on the east side of the river, is a small indentation of water that bears the name "Woolchurch Cove".

New Covenant Church

New Covenant Church is pleased to announce our annual, free, "Clothing Give-away" on June 25, 2011 from 9:00 AM to 1:00 PM in our Fellowship Hall. This is a yearly Christian outreach event which takes place on the last Saturday of June. We give away clothes, toys, books, and household items which have been donated by members of our church and others, as well as the community. We provide plenty of free parking space. Many people have been blessed by this free 'giveaway' in these difficult economic times!

This year we are again seeking donations of all items, and can accept only those that are clean and gently-used. They can be bagged and placed in the POD

holders, located beside the east church parking lot from April 27th to June 19th. The PODS will be open from 9:00 AM until 5:00 PM on Monday-Friday, and after church services on Sundays. Our address is 365 Jones Station Rd. at the corner of College Parkway.

New Covenant Church is a non-denominational, charismatic Christian church that has served the Arnold community for over 30 years. All are welcome!

Services are 9:30 AM on Sundays, with Sunday School, Contemporary Worship Music, Men's & Women's Ministries, Bible Studies, Prayer and Home Groups, and much more! For more information on this event, please contact the office at [410-544-1880](tel:410-544-1880),

Anne Arundel County Council
Fifth District

April 1, 2011

Budget season will soon be here. The County budget is again in a deficit situation ranging between \$30 million and as much as \$70 million. The size depends on the assumptions one makes: more or less furlough days than last year; providing or not providing the full increase requested by the Board of Education; the amount of cash balances there are in various places or how much money the State sends down net of new bills to pay.

The budget office anticipates a small increase in revenue over last year and a need for a virtual freeze on all County expenses. Unfortunately, projected recur-

ring income will not be enough to pay for a number of must-pay increases such as the Board of Education's "Maintenance of Effort," increased debt service costs (interest), insurance and pension costs, along with any additional costs passed down by the State. These additional recurring costs will have to be funded again this year with "one-time sources" of funding from across the County.

The tightness of the fiscal situation and of the municipal bond markets prompted the County Executive to ask the Council to approve a resolution of support for his intent to seek a waiver from the requirement to provide "Maintenance of Effort" (MOE) funding to the Board of Education. I and my colleagues received a very LARGE number of emails expressing strong concern

and support for MOE funding. That helped galvanize the new Council's support for continuing our predecessors' approach of working closely and cooperatively with the Board of Education to fund their program to the fullest extent possible within available funds. That process will start in earnest when the County Executive submits his budget in mid-April.

I am very pleased to note the County Executive's appointment of Maureen Carr York and Bill Nevel to the Transportation Functional Master Plan Citizen Advisory Committee. This Committee will look at long term transportation options on the County's major arterial roadways. Of great importance is the addition of Benfield Road to the study.

Planning is underway to extend water and sewer lines across East Jones Lane to provide service to an approved development next to the Arnold Safeway on Ritchie Highway. A portion of that extension will go along the edge of the Arnold Elementary School property and will connect the school to the sewer system. We are hopeful that the construction will also create a dryer, more improved play area behind the school.

Recently we attended the Friends of Kinder Farm Park Volunteer and 4-H Livestock Club recognition and awards dinner. It was another stellar example of "community". If you have not visited the Farm Park side of Kinder Park, you should. The

Spotlight - Bella's Liquors

Bea and C.G Smith, together with Bea's mother, Bella Novosel, bought a small bar and grocery store in the Cape St. Claire Shopping Center in 1964. They named it the "Bee-Hive Inn," as a tribute to Bea because "things were always buzzing around her." After Bea passed away, the name was changed to "Bella's Seafood and Restaurant" in honor of Mrs. Novosel, who was known to many in the Cape as "Mom Novosel," and was operated by Bella's daughter, Wanda Murray, and her daughter Bonnie Morgan. The liquor store remained with the Smith Family. Bella's Liquors is owned by Charles G. Smith, and is managed by Chris Taylor. Valerie "Val" Sullivan, is

Bella's granddaughter, and is the Office Manager and holds monthly wine tastings. Val's brother, Charles, runs the beer end of the business and Val's son, Eddie, is learning the liquor business from the bottom up. Valerie described how she and her sisters and brother all started working in the kitchen and package goods store as soon as they turned 13 years old. On becoming 21 years of age, they all started working behind the bar. It was truly a family-run business.

Valerie recalled a fond memory

of power outages during snow storms, when her parents and grandmother would open the tavern to everyone and Cape residents would gather around the fireplace, play cards by candlelight and listen to piano music and singing performed by some very talented Cape residents.

Valerie said, "My parents deserve all of the credit for making Bella's what it is today. My mom was a very generous woman who never turned anyone away who needed help. My dad was a sailor, a Pearl Harbor survivor, who put himself through college. My dad was the money manager and my mom was the personality. And in this business you really do need a lot of personality!"

Having grown up in Cape St. Claire, Valerie described how she and her entire family have

seen the Cape evolve from a sleepy little hamlet to what it is today. About the Cape, Valerie said, "I love the Cape! It is unique and has a charm that is hard to find nowadays and with a history that goes back to well before the Civil War. The people are so varied, from all walks of life and all cultures. Yet it blends so well."

It is rare these days to walk into a business and have the employees speak to patrons by name, but that is exactly what we have here with our Cape businesses, including Bella's. Let's hope that we never lose the closeness of community that we have here in Cape St. Claire. Come to Bella's, and check out their weekly specials, Orioles and Ravens tickets contests, wine tastings, and the Erin Leigh Sullivan scholarship fund for Broadneck High School. Don't forget to say "Hello" to Val and ask her to share more stories about the Cape!

Anne Arundel County Waste Management has graciously offered Cape Residents a weekend in May for our 2011 Spring Clean-Up.

The Clean-UP will begin as soon as the County arrives on Friday, May 13th.

We will make every effort to operate the Clean-Up until 4:30 PM on Friday the 13th space permitting. On Saturday the 14th the Clean-up will begin at 7:30 AM and continue until approximately 2:00 PM, space permitting. *Due to the closing* of the landfill on Sundays, all dumpster cans will be removed on Saturday beginning at 2:00 PM.

In an effort to protect our environment and dispose of our trash properly, Anne Arundel County will be providing the Clean-Up with cans for recycling and two on-site Anne Arundel County Employees to assist the residents with the proper disposal of their TRASH. When you arrive at the clean-up you will be asked to dispose of your TRASH in the proper cans. Please keep this in mind as you

load your vehicles. Try to keep your recyclables together (Glass, Cardboard, Paper, Metals etc...).

If you should have any questions about the clean-up please contact Mary Lamb at 410-757-0593.

For a donation of \$45 for each truck load, the **Boy Scouts of America Troop 783** will take your junk to the Cape Clean-up for you!!

For information or to schedule a pick up please call:
Jim Lanoue at 410-349-9015 or email: jimlanoue@gmail.com

All loads must be easily accessible or curbside. Please let them know if you need assistance to prepare for your pick-up.

synergy between the Rec. and Parks staff and the “Friends” is very obvious in the displays in the Harvest Hall Visitors’ Center and in the various surrounding activity areas. One that caught my attention was the “organic” community gardening area where a limited number of residents can lease space to raise their own vegetables and fruit. Not surprisingly, there is a waiting list for these gardening spots.

One of my deepest interests is the continued development of a high quality “bench” of future leaders here and in the country. The recent recognition of Severna Park High School as a Maryland Blue Ribbon School and the attendant nomination for a national blue ribbon provides an independent assessment of how well that proc-

ess works here. (I note the recent Student Government program visits to the Council as another high quality, value-added function in “bench maintenance”.) The embedded sense of excellence and performance is an invaluable lesson and easily visible in the student body. Simply: GREAT STUFF!

I would love to hear your thoughts, ideas, and suggestions, so call me at 410-222-1401 or e-mail me at dladd@aacounty.org. I shall look forward to hearing from you.
