

Cape St. Claire Improvement Association, Inc. Community Newsletter

JUNE 2015

PRESIDENT'S MESSAGE

Dear fellow Capers,

I hope everyone had a wonderful Memorial Day Weekend! We as a community are fortunate to live in a place where we can enjoy beautiful beaches, parks and piers on the Chesapeake Bay. The sacrifice of so many service men and women over the years should not be forgotten, but their memories should be celebrated with your family, friends and community that those who gave the ultimate sacrifice to provide us with the freedom and independence. I hope you had the opportunity to do so over the holiday weekend!

May was a busy month, with many events and projects. The calendar continues to fill up for our prime busy season where our beaches, parks and piers get the most use. I will draw your attention to handful of projects and events that are coming up along with some housekeeping items for residents.

There lots of projects going on around the community, the biggest being Phase II of the Main Beach Improvements. The pervious paver walkway at the entrance to the park was started in May 2014 (Phase I) and extended out towards the beach as part of Phase II. The path splits in two direction towards the overlook and the playground. This will give access via a safe and dry path for all our residents. I believe you will find the walkway both convenient and aesthetically pleasing while enhancing one of our premier community properties. We will work on Phase III for next year, where we are planning to address the access to the beach, the old cinder block wall and broken concrete paths to create a more convenient, safer and improved entry for residents of all ages.

With June comes summer and with that we all know that the first Saturday in June is the Strawberry Festival, a 50 plus year tradition in Cape St. Claire. This year will be no different, the Strawberry Festival Committee has a fun filled day planned at the Main Beach and Clubhouse. For more information check out the new Strawberry Festival website at www.cscstrawberryfestival.com . We could still use volunteers for set-up, during the festival and for clean-up, please email mary@cscstrawberryfestival.com to help.

July 4th we will be having another parade, games and competitions at the Main Beach and Clubhouse. The Events Committee is busy planning for this day too! Please consider joining in the fun to celebrate our Independence Day. You can get more information in this month's Caper or by emailing events@cscia.org .

Be on the lookout for service projects and clean up days throughout the summer. With good weather comes high activity at our community properties. We need the help of volunteers to help throughout the summer. Contact parks@cscia.org or erosion@csci.org for details regarding different needs for both short term and long term projects.

A few housekeeping items:

- Review the Updated Beaches and Parks Policies for 2015. We have new signs posted at the parks, so please read them. They can also be found at <https://cscia.org/cscia-services/beaches/>.

In this issue:

- ◆ *President's Message*
- ◆ *Board in Brief*
- ◆ *Cape'Ness Nutrition & Fitness*
- ◆ *July 4th Celebration*
- ◆ *St. Margaret's Church*
- ◆ *Goshen Farm*

- Please be sure to put your 2015 stickers on your vehicles or display your guest pass from your review view mirror. The towing company has begun making rounds and we are checking for valid stickers and passes, especially on the weekends! If you do not have your stickers & guest pass, please contact the office regarding paying your lot fees, late fees, and updating vehicle information.
- Remember the guest pass cannot be used for trailering at Deep Creek Boat Ramp from May 22nd to September 8th on Friday, Saturday and Sunday's.
- If you have concerns regarding our Covenants, County Zoning Codes or just inquiry as to our policies, please utilize our new improved website for information and resources.
- Lastly, remember you can find information about many things going on in our community on our website www.cscia.org or the Cape St. Claire Improvement Association Facebook Page.

I look forward to seeing many of you at the Strawberry Festival, 4th of July Parade or at one of the beaches & parks!

Best wishes,
Beau Breeden, President CSCIA

BOARD IN BRIEF

President Breeden called the meeting to order at 7:32 P.M. He said it's been a busy month with covenants, piers, buildings, security, community service, Touch a Truck, and the Cape Escape. He said help will be needed at the Board's booth at the Strawberry Festival.

The minutes of April 13, 2015 were approved with one change.

The final P&Ls of March 31, 2015 were approved.

COMMITTEE REPORTS:

Beaches and Parks: Governor Dembowski said that the beaches are becoming busy and the permitted filming on our beaches was completed.

Treasurer: Governor Myers said funds were moved from operating to the capital budget to cover the costs of building the shed at the Clubhouse and phase II of the beach path, as voted on at the last quarterly meeting. She also said that revenues for Clubhouse, Caper and Piers have already met expectations, and there are still two months left on the fiscal year. We are still waiting for the remainder of our SCBD funds.

Events: Governor Myers said planning will begin in earnest for the festivities of the 4th and the web page needs to go up.

Technology: Governor Szczytko said he installed a SSL certificate to our website, which ensures safe browsing but also sets us up for accepting online payments. He continued site improvements for speed and communication, and added the CSCIA Facebook stream to the website. He has been working on Cape Conservation Corps website. He also noted that the CSC Strawberry Festival website is done with a Sponsors Page, Crafters Page, and Community Organizations page.

Strawberry Festival: Governor Lamb said the web page gives us the opportunity to thank everyone who helps with the Strawberry Festival. The banners have been hung, thanks to Harry Sawyer and all events and activities are lined up.

Caper: Governor Lamb commented that she will be sending out new contracts this week. Timely submittals continue to be a challenge.

Clubhouse: Governor Lamb noted that the shed should arrive in about 10 days. She has been working with the electrician to complete the outdoor lighting and repair an issue in the kitchen. She has also been working on a revised contract and list of fees. Rentals are steady.

Piers: Governor Small said there are only handful of slips yet to fill. June 1 will be the deadline to start enforcing stickers and non-use of slips. The first projects on Deep Creek will be starting this week or next. Governor

board in brief continued.....

Breeden added that illegal use of boat ramp enforcement is underway, and that the committee met and approved some urgent and immediate fixes to our piers and major replacement of the Deep Creek Large Pier for later this calendar year. He also noted actual revenues now exceed budgeted revenues for FY 2015.

Erosion Control: Governor Vaccaro said the phragmites burn at Lake Claire was successful and we now have a full acre of cleared area ready for planting. Seed will be ordered and plantings will commence. Another adjoining property owner of Lake Claire has signed on for reforestation work to help get invasive plants under control. Broadneck High School will be doing service project work around the Lake in early June. They will plant trees, scatter seed and remove invasive plants. The targeted work at Deep Creek along our hillsides has been moved to the fall, as it will be cooler and any removal and replanting will have a better survival rate. There will be some targeted spraying around Lake Claire throughout the summer months.

Cape Conservation Corps, formerly Friends of Lake Claire, has officially filed Articles of Incorporation.

Budget: Chairman Buchet said the committee is meeting next Tuesday and would like BOG committee funding requests by then.

Building: Governor Breeden said we continue to receive and respond within a two week time frame for all new building requests. We have added a volunteer member resident to our building committee, who is an licensed architect, to help regarding new home building issues and some review of best practices that we should possibly consider.

Security: Governor Breeden said we have had several incidents including trespassing after hours by non-residents, underage drinking issues and some vandalism at our beaches and parks. We are coordinating with the Police regarding these matters. Towing enforcement has begun along with regular checks throughout the day of our parking facilities by the Security Committee.

Thank You For Your Referrals!

Mona is Wonderful!

"Mona LaCovey is amazing! We looked to her for assistance when we were ready to sell our home in Annapolis. Since we had never been through the process of selling a home, we had no idea what we needed to do to ensure our first home was marketed appropriately in a challenging real estate market. Mona truly understands the real estate market and completely placed my mind at ease through every step of the process. Mona's integrity, responsiveness, diligence, and understanding is truly exemplary and should be a goal for all realtors to achieve! I highly recommend Mona LaCovey for any of your real estate needs...she is remarkable and has been a true blessing to my life!". Thank you again for all of your support...you have been **WONDERFUL!**

Happy Father's Day June 21st

Office: 410-544-8800
Independently Owned & Operated

board in brief continued.....

Roads: Governor Breeden noted that Project Manager and County DPW provided the community with an update at the quarterly meeting. The new mobilization date is May 18th. He said the Board has stressed to the County the job must be finished before next winter as we cannot go another winter without paving.

Mosquito Control: Governor Breeden said we are on the list for the community spraying program and we will provide information as we receive it from the State.

Covenants: Governor Breeden reported 24 ongoing investigations, many of which involve different County Agencies coordination.

OLD BUSINESS:

Regarding comments at the last quarterly meeting about new development, Governor Breeden will meet with the concerned residents and the building committee to review our building codes and best practices.

NEW BUSINESS:

Governor Dembowski said that JB Parking Lot Striping will donate time and equipment to mark off parking spaces in the field for Strawberry Festival.

Governor Dembowski is researching upgrading our current security infrastructure.

Governor Lamb said Mosquito Joe has offered to spray the beach for Strawberry Festival, but because of environmental and health concerns the Board declined the offer.

Governor Vaccaro noted that we need money to buy seed to cover the acre cleared at Lake Claire, and asked the Board to think about a stormwater project at Deep Creek.

There was a discussion of maintenance on the Clubhouse rock garden and whether converting it to a rain garden would be feasible.

Governor Breeden noted that Fairwinds Marina comment period for pending permits is open, but at this time the board has no objections to the proposed work. Fairwinds has also been proactive with projected projects and property updates.

Deep Creek Piers will be getting some emergency maintenance and repairs in the next month. Safety is a priority and is being addressed. An assessment of our BGE bills and consumption will occur and the cost of electricity has dropped dramatically now that we are into warmer months.

Governors Breeden and Small, along with a local pier contractor, checked out all the deferred maintenance at the piers and determined that there is about \$60,000 worth of work that needs to be done as soon as possible. We have the allotted budgeted money to commit to the work this fall. There was discussion of the bidding process and the future budgeting needs of the piers and its projects. Governor Breeden moved that we forego getting comparable bids for repairing the T at the Deep Creek large pier again and move forward with having Walsh & Sons to complete the project as intended in 2013. The motion was seconded by Governor Vaccaro and passed unanimously.

ADJOURNMENT:

The meeting was adjourned at 8:46 P.M.

MEMBERS PRESENT:

Governors Breeden, Dembowski, Lamb, Myers, Small, Szczytko, and Vaccaro were present. Governor Snow was absent. Also present were Budget Committee chairman Buchet and member Toy, along with Administrative Assistant Coble.

CAPE'NESS NUTRITION & FITNESS

We have been having so much fun losing weight. Maria, Katie, & Robin were our three top losers/ winners in our last session. Gloria won the inch loss category. We meet at the Cape St. Claire Clubhouse every Thursday morning at 10am and new classes will be held on Wednesdays at 6pm. Call Laura McIntyre at (443) 569-9082 or (410) 757-1354 for more details. Stop by our booth at the Strawberry Festival.

CAPE ST. CLAIRE'S 4TH ANNUAL JULY 4TH CELEBRATION!

Join us for an old-fashioned July 4th celebration right here in our wonderful community!

Staging for the parade will start at the Fire Department at 9:30 with the parade start time of 10:00AM. This year we will have prizes for the "Most Patriotic" float/entry and the "Most Creative" float/entry. Be sure to enter your group, team, family, etc.!

In addition to the parade, the festivities will continue at the Main Beach from 11:00AM to 2:00PM and will include games such as:

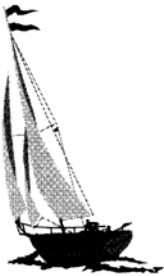

- Tug-of-War
- Sandcastle building contest
- Water balloon toss
- Spoon and egg races
- and a watermelon eating contest!

Also, the Cape's BBQ ribs contest will be back due to popular demand! We again want to find the best Backyard Ribs in Cape St. Claire!! We have some special guest judges who will sample and evaluate each entry and declare a winner! Start perfecting your rib recipes and enter your sample to win a special prize, and amazing bragging rights!

Please turn your entry forms in as soon as possible! Please visit our website at www.cscia.org and our official Facebook page for more information. Or feel free to contact the Events Committee at events@cscia.org.

News from Goshen Farm Preservation Society

We continue our series of articles on Goshen Farm's History written by Elisabeth Slone. With the assistance of Scott Powers, Chair of our History and Research Committee, Elisabeth continues to reveal Goshen's past. We hope you enjoy learning more about the house we are trying to save and the land we are trying to preserve.

History is like a looking glass through which we see not only ourselves, but the greater world around us. As we continue to delve deeper into the history of Goshen Farm, it is important to understand that the events that took place here in our backyards were closely tied to events taking place on the other side of the world.

We know that Goshen Farm, originally called "Leonard's Neck," was granted to Henry Woolchurch who first appears in Anne Arundel County land records in 1653. This was only 11 years after Charles I granted Lord Baltimore the charter for the colony of Maryland in 1632. At this time, England was on the brink of its own civil war between those who favored monarchy and those who favored parliamentary government. Charles I had Catholic sympathies and was later executed by his Protestant parliament in 1649, the year that Annapolis was established. In the 1600s, religious toleration was not common and rulers dictated religion within their spheres of influence. England at the time of the English Civil War was no exception. The Maryland Colony was formed as a haven for Catholics escaping the persecution they faced from the largely Protestant parliament. As such, Maryland was one of the few places where religious toleration was largely practiced.

However, Maryland was not immune to the conflicts taking place in England at that time. Despite attempts by Lord Baltimore to ease tensions, the Battle of the Severn broke out between Catholics supporting Lord Baltimore and Puritans, who largely supported parliament. Henry Woolchurch was very likely present at the Battle of the Severn. At some point after that he came into possession of Leonard's Neck where many of us reside today.

Henry Woolchurch, a Quaker, was among the first settlers to this area. An orphan, he was raised by the church and though probably not a Quaker when he originally came to the colonies, he converted and subsequently became a founder of the Third Haven Meeting House in Easton which is still operating today. Quakers were a Protestant sect who were persecuted by the English crown. They, like Catholics, were able to find a home in Maryland's more moderate religious climate.

Woolchurch divided Leonard's Neck between Alexander Gardiner and John Wray, creating two separate properties. Gardiner and Wray, both settlers from Virginia, were neighbors but it is unlikely that they were otherwise related. The portion of Leonard's Neck, including what is Goshen Farm today, was purchased from John Wray by John Pettebone Gardiner in 1754. More than one family named Gardiner had settled in Maryland at this time. The Gardiners of the Cape St. Claire area were different from the similarly named Gardiners of south county who have similar names, but whose history is more thoroughly documented. Many people lacked the ability to read or write, meaning much of their history is lost to time.

Alexander Gardiner's portion of Leonard's Neck included what is now the northern side of Cape St. Claire, and he passed his land onto his step sons. The step sons and their mother, Mary Gibbs, later gave some of the land to St. Margaret's Church. Interestingly, there is little evidence that Alexander Gardiner was directly related to John Pettebone Gardiner at all. This is why John Pettebone Gardiner ended up with John Wray's portion of the land, but Alexander Gardiner's portion passed to his heirs.

John Pettebone Gardiner was the son of Benjamin Gardiner and his wife Mary Pettebone. The Pettebones, a large local family with many prominent members, were also related to the Stinchcomb family. The Alfred Stinchcomb House on the Little Magothy sits on what was originally Pettebone property. In early America, few people had middle names. A middle name was both a sign of respect to another family and a display of relationship. Thus, John Pettebone Gardiner was immediately recognized as a member of both the Pettebone and Gardiner families.

In 1787, Richard Gardiner married Ann Merriken. They had at least five children, but only two, possibly three, survived to adulthood. The house that sits on what remains of Leonard's Neck, today Goshen Farm, was originally built by John Pettebone Gardiner's son, Richard Gardiner. The house was built sometime around 1783, making it over 230 years old.

So what does this say to us today? The house at Goshen Farm has witnessed over 230 years of history, and we are privileged to have it in our midst. As a piece of history, it should be cherished and preserved, which is what the GFPS is striving to accomplish. Please come visit us and be a part of our shared history.

Please join us for our **FIRST** annual membership meeting on June 10th at 7:00pm at the Cape St. Claire clubhouse!

Vote on our Logo

Calling all creative Capers! We are looking for a logo for our new organization. Residents are invited to submit artwork for our logo. All submissions should be emailed to info@capeconservationcorps.org by June 4th. Digital files should be a minimum of 300 dpi.

Not feeling creative? You can still participate in the process! Be sure to visit our table at the Strawberry Festival on June 6th to vote for your favorite logo option!

Now Accepting Members

As a nonprofit organization we are accepting official members.

Our yearly dues are \$20 per person, and will help us to fund the work that we are doing in the neighborhood as well as minor administrative costs. Dues are tax-deductible, and dues-paying members have voting rights. Mail your check to Cape Conservation Corps, 1223 River Bay Road.

Progress in the Reforestation Area

We are excited to welcome over 500 students from Broadneck High School at the beginning of June for a week of planting! Students from US Government classes will be earning service hours planting trees, removing english ivy, mulching, etc on several reforestation sites along Lake Claire Drive.

We are thrilled to finally add the property at 1048 Lake Claire Drive to our reforestation efforts. This large property is infested with bamboo, bushkiller, phragmites and many other "least wanted" invasive plants! Eradication of those plants will be ongoing through the growing season.

Phragmites Update

We have ordered a wetland seed mix from Ernst Seed Company to encourage new growth of beneficial plants in the areas burned. Stay tuned to our Facebook page and email list serve for upcoming seed-scattering opportunities!

PDK Horticultural came out to look at the remaining phragmites around the lake, and he feels confident that we can eradicate the remaining stand this fall.

For more information please contact Jennifer Vaccaro: info@capeconservationcorps.org
OR Join our group on Facebook: Cape Conservation Corps

Please join us for our **FIRST** annual membership meeting on June 10th at 7:00pm at the Cape St. Claire clubhouse!

Please return to the parish office with payment.

Early bird registration dates & pricing:

April 15 - May 22

*Prices: 1 Child - \$40, 2 Children - \$50, Family (3 or more) - \$55

Normal registration:

May 23 - June 10

*Prices: 1 Child - \$50, 2 Children - \$60, Family (3 or more) - \$65

EPIPHANY COMMUNITY

We celebrate mass every Sunday at 9:30 am in the Cape St. Claire Clubhouse. All are welcome to join in on the celebration. We had a wonderful celebration with Fr. Bernardi on May 17th with a delicious brunch. See you at the Strawberry Festival June 6th.

CAPE ST. CLAIRE UNITED METHODIST CHURCH

Established in 1954

855 Chestnut Tree Drive Annapolis, Maryland 21409

Phone: 410-757-4896 • Website - capeumc.org

Pastor - Rev. Lys Cockrell

Worship Service - 9:00 AM on Sundays in the Sanctuary

We warmly invite all to join us for Sunday worship. If you are looking for a church home, we would enjoy having you visit our community of faith and share God within our church family

Strawberry Festival

Saturday, June 6, 2015

Visit us at these booths:

United Methodist Men

Hot dogs, Hamburgers, Sodas

United Methodist Women

Bake Goods, Refreshing tea/lemonade

Cape Kids Corner

French Fries

Soul Searchers

A musical group of youth from various churches in the area presenting the Word of God through a dramatic musical.

Please join us on Sunday, June 21st, at 9:00am in the Sanctuary for their performance.

Summer Bibles on the Beach

Ladies Bible Study at the Cape Main Beach

(We meet at the church if the weather is bad)

7 p.m. on the following Thursdays: 6/11, 6/25, 7/9, 7/23, & 8/6.

We will be reading What Happens When Women Walk in Faith by Lysa TerKeurst.

If you would like to attend, please contact Mia Riser: mlriser@aol.com

We hope you will join us!

Vacation Bible School

GARDEN CLUB

Happy Summer from the Cape St Claire Garden Club! Hope everyone is enjoying the warm weather as well as the plants you may have purchased from our annual plant sale. It's fun to think about how many of those plants began in some other gardener's yard right here in the Cape! It's also fun to drive around Cape and take a look at what people have done with their yards – the shrubs, flowers, ornaments – lots of hard work and inspiration! To get started, take a look at this month's winners for Yard of the Month:

Area 1	Steve Bavis 1144 Riverview Drive	
Area 2	Kathy Potts 1043 Oak Tree Drive	
Area 3	The Atens 1169 Latrobe Drive	
Area 4	Robert Thomas 1240 Mt. Pleasant Road	
Area 5	Ronald & Collette McKie 1157 River Bay Road	& Lucille Chase 799 Rolling View Drive

STANDARD MOSQUITO OPERATING PROCEDURES – 2015

The Anne Arundel County & City of Annapolis Mosquito Control Program is conducted by the Mosquito Control Section of the Maryland Department of Agriculture, located in Annapolis, under cooperative agreement with the County and City Governments.

OPERATING PROCEDURES FOR SPRAYING OF ADULTICIDES (Treatment for adult mosquitoes):

- **Regular Surveillance and Control of Adult Mosquitoes: June, 2015- September 2015**
Sunday-Thursday (A night of the week will be assigned to your community)
Anytime between 7:00 p.m. - 2:30 a.m.
- Spraying for adult mosquitoes will be **done only if a Maryland Department of Agriculture Inspector determines it is necessary.**
 - Spraying **will not be conducted** during rain, in wind speeds exceeding 12 MPH, or temperatures above 89°F.
 - **Thresholds for Ground Based ULV Treatments:**
 - Landing Counts: 3 mosquitoes in a 2 minute count
 - Light Trap Collections: 12 female mosquitoes in an unbaited light trap
24 female mosquitoes in a baited light trap
 - Conditions that threaten public health, such as mosquito borne disease
- | Adulticide | Formulation |
|---|--|
| <u>Permanone 30+30:</u>
Permethrin mixed with Piperonyl Butoxide | 0.0029 lbs/acre (Ultra Low Volume application) and Mineral Oil |

OPERATING PROCEDURES FOR SPRAYING OF LARVICIDES (Treatment for mosquito larvae):

- **County-wide Surveillance and Control of Larval Mosquitoes: April - October**
Monday – Friday, 8:00 AM -4:30 PM
- **LARVICIDES TO BE USED:**

Larvicide	Formulations
<u>Bacterial Larvicides:</u>	
Teknar, VectoBac and Aquabac: <i>Bacillus thuringiensis var. israelensis</i>	Granular, Liquid
Vectolex and Spheratax: <i>Bacillus sphaericus</i>	Granular, Liquid
Natural <i>Spinosad</i>	Briquet, Granular
<u>Insect growth regulator:</u>	
Altosid (Methoprene)	Briquet, Granular Liquid, Pellets
- The **Mosquito Control Program does not spray for Midges** that swarm on homes, boats, trees and shrubs along many Anne Arundel County creeks and rivers. These non-biting insects develop in mud bottoms of slow moving water ways of low dissolved oxygen and will decline in numbers within a few weeks after they first appear.

We all know the kind of nuisance a large number of mosquitoes can be to our quality of life. In addition, they can carry many diseases like West Nile encephalitis, eastern equine encephalitis and St. Louis encephalitis.

Due to the large mosquito population in the Cape, we will once again be participating in the Community Mosquito Spraying Program by the Maryland Department of Agriculture for 2015. "The Department's preferred mosquito control strategy is the reduction of mosquito larvae numbers by source reduction, biological control agents or use of biological insecticides. Adult mosquito control, by ultra-low volume (ULV) application of insecticide, is conducted using aircraft or truck-mounted application equipment in residential areas for nuisance abatement and to protect public health from mosquito-borne disease." ~ source MDA's website

We just received the day of the week from the MDA which tell us what day spraying will take place. The day this year is **Wednesday nights between 7pm and 2:30am**. The 2015 program will begin with technician training on May 27 – June 10. During the training period our community might not be sprayed.

Regular season activity will begin by **June 11** and **continue** into **September, and possibly October**.

If you would like to opt out of the program, please use the MDA's submission form located on this page. In addition to the opt-out program, that page is another great resource from the state on mosquito spraying.

For the Standard Mosquito Control Operating Procedures please review this document.

Summer is coming and we're hoping it will be a safer one.

You can always **Count on Cathy**
to get your Cape St Claire Home Sold!

Cathy Gazzo

Agent. Advocate. Friend.

Your Agent. You owe it to yourself to get your house sold quickly and for top dollar. Stack the odds in your favor with the kind of expert it takes to make it happen.

Your Advocate. Because in the complicated world of real estate you need an agent whose top priority is looking out for your best interests.

Your Friend. Because your agent must be someone who you are comfortable confiding in, someone who truly understands your unique situation, and someone who cares that your needs are met.

When you are ready to make your next move - call me! **443.223.1570.**

What do
Cathy's Clients Say:

"In the past two years Cathy helped us sell three homes and buy another. You never know what the other side is going to throw at you and Cathy handled it all in stride. Our needs were Cathy's top priority, and we'd call her again in a heartbeat."
