## MARCH 2016

### ***President's Message***

MARCH 2016

#### **Capers,**

Things are heating up around Cape, figuratively and literally. Snow should be in our review mirror. The various spring projects and special projects are rolling along. Large projects such as the reconstruction of the Deep Creek pier should be complete by the time you read this. Phase three of the main beach renovation will begin soon. The Strawberry Festival planning is well underway and will prove to be another fantastic event.

Since I mentioned snow, I want to thank Rusty Rucks, owner of Quality Care Auto here in Cape for volunteering his time to help clear parking lots and driveways on CSCIA property during and after the "big" snow storm. I also want to thank Anne Arundel County and its subcontractors who worked long, hard hours clearing snow from the community roads and beyond. I know there are always a few roads in Cape that are difficult to plow and sometimes it feels like YOUR road is always the last one plowed, but it's a huge job and with a little patience we were all able to get on our way pretty quickly.

Now back to a warm weather thought. The Strawberry Festival committee has been hard at work for the past 7 months working on this year's festival. We hope to continue to improve parking and traffic in the neighborhood for the day, and I know they are working on some great plans to do exactly that. We are already looking forward to the vendors, music, food and more.

Someone pointed out to me that many of my President's Messages from 2013 contained a lot of words of gratitude. I haven't gone back to see if that's true or not, but I sure hope so. It's everyone's contributions to the community that make this a great place to live, work and play. I'm just fortunate enough to have a soapbox to thank them from.

So I'll conclude this message with a huge thanks to Mr. Dean, a Cape resident who took the time to mail a note to the office wishing me good luck as President this year. It was a simple gesture that meant a lot to me. Thank you Mr. Dean.

***Sincerely,***

# **Board In Brief** *CSCIA Board Of Governors Monthly Meeting*

## FEBRUARY 8, 2016

President Dembowski called the meeting to order at 7:31 P.M. and thanked all for attending. He mentioned that Board members should be sure to have their maintenance bills paid on time to set a good example.

A resident and her architect presented their request for a building variance, seeking approval for a chimney chase somewhat closer to setbacks than allowable. President Dembowski told them the matter would be discussed in closed session and they would have a decision tomorrow.

The minutes of the January 11, 2016 BOG meeting were approved.

The final Profit and Loss statement of December 31, 2015 was approved.

### **COMMITTEE REPORTS:**

**Beaches & Parks:** Governor Dembowski said new swim area buoys have been ordered for the Main Beach as well as Lake Claire. There are several projects in the works for the next month or so.

**BCC:** Governor Breeden said the BCC will hold its quarterly meeting Thursday night at 7:30 at the Clubhouse, with a focus on the Bay Bridge longevity study.

**BLOA:** Governor Breeden reported that the CSCIA and BLOA are working on legislation to allow the formation of a commercial SCBD and the use of funds to pay for water connection.

**Covenants:** Governor Breeden said there have been a lot of issues to start the New Year, and he testified at a county variance hearing last week.

**Roads:** Governor Breeden said the Green Holly study group met and went over the results of the traffic study. They will meet again in April to go over problems and solutions. Work on Cape St. Claire Road currently involves storm water maintenance and step pool construction.

**Security:** Governor Breeden reported that a person has been banned from the shopping center and all CSCIA property due to repeated destructive behavior. The process of getting a ban lifted was discussed for the benefit of the new members.

**Technology and Communications:** Governor Szczytko said fixes have been made to the piers database program, and he is looking into a scanning service to digitize the rest of the documents.

**Clubhouse:** Governor Lamb is still waiting for a third estimate for Clubhouse flooring.

**Caper:** Governor Lamb said the Caper was held up a bit this month waiting to include information about Elaine Barnhart.

**Easter Egg Hunt and Strawberry Festival:** Governor Lamb said both events are ready to go.

**Erosion Control:** Governor Vaccaro said that she has applied for \$6,500 in grants to help fund the Little Magothy swale.

**Treasurer:** Governor Myers said Clubhouse rentals will probably exceed expectations this year and that halfway through the fiscal year most expenses are on target. Administrative Assistant Coble added the audit is almost complete.

**Piers:** Governor Breeden said that all contracts have been mailed and some mistakes are being corrected. Work on the Deep Creek pier is progressing and will be followed by some electrical work.

### **OTHER BUSINESS:**

Governor Dembowski said that Beaches and Parks will work with events to arrange bonfires.

Governor Szczytko wants to get all the old Capers and minutes scanned, and he has reached out to a company that does this. There was some discussion regarding the cost, the retention of original documents, and digital storage requirements. Governor Szczytko will look into the matter further.

The Budget Committee is planning to meet this month.

Governor Lamb said the garden club wants to build a shed in the CSCIA Clubhouse field. Governor Dembowski suggested they come and talk to the Board about their plans.

Governor Lamb said a resident wants to donate a mirror to put over the Clubhouse mantel.

There was some discussion of a PA system and a drop down screen for the Clubhouse.

There was some discussion of payment for pending well and easement agreements.

Governor Breeden mentioned that there were 80 to 100 people at Elaine Barnhart's memorial service and that the CSCIA sent flowers. Governor Dembowski said many people have mentioned that there needs to be some kind of permanent memorial for her and asked the Board to give it some thought.

Lou Biondi mentioned that there will be a tree dedicated to Elaine in the Goshen Farm Memorial Grove at the spring open house.

The meeting was adjourned to a closed session at 8:21 P.M.

A closed session was convened at 8:28 P.M.

### **MEMBERS PRESENT:**

Governors Breeden, Dembowski, Lamb, Myers, Szczytko, Vaccaro, Young and Zedara were present, as were Budget Committee chairman Buchet and Administrative Assistant Coble. Governor Small was absent.

# GARDEN CLUB

SPRING is coming! I feel confident as I write this during single-digit temperatures that spring, will, REALLY arrive one of these days! There are still remnants of all those plants that continued to bloom as late (or as early) as January. The hellebores that were buried by 15 inches of snow appeared largely untouched after the snow melted away. Even the greens from many bulbs are still looking green.

The garden Club is still busy with plans for spring, so take heart! You, too, can look forward to it as well. The February meeting was largely devoted to plans for our annual Plant Sale, which will be held on Saturday, May 14 this year. Every year we tweak it a little to make more and better plants available for you to take home at reasonable prices. And don't forget: the majority of these plants are lovingly culled from gardens right here in the Cape. These are plants that have been well-established as hearty growers right here by folks that have tended them for many years. There will also be annuals, vegetables and herbs so be sure to stop by and pick up some of these babies. More to come later...

In March, we will celebrate the 41st year of the Garden Club with our Anniversary potluck dinner. It's a chance for members to relax and enjoy a nice time before the business of planting and organizing truly begins.

Come join us for future meetings! We meet the first Tuesday of the month, September through June at 7 p.m. at the Cape St. Claire clubhouse. It's a great group of people with a shared love of gardening and the community. Check out our blog at [gardenclub.wordpress.com](http://gardenclub.wordpress.com).

# NEWS FROM GOSHEN FARM HISTORIC SITE AND EDUCATION CENTER

---

What was that? Historic Site and Education Center? Yes you read that correctly! Let us explain. While many of you may know that Goshen Farm is on the Maryland Historic Trust's Inventory of Historic Properties, you may not know that the Goshen Farm Preservation Society, Inc. leases Goshen Farm from the Anne Arundel County Board of Education with the goal of restoring the house and preserving the land. However, we have come to realize the enormous potential of Goshen Farm as an educational resource.

We came to that realization through our work with the Broadneck High School (BHS) Environmental Literacy Signature Program (Michelle Weisgerber), our work with the CSC Elementary Green School Program (Diane Velozo), our work with English as a Second Language students from AACC (Catherine Waterman), our work with Performing and Visual Arts Intern Program at Annapolis and Broadneck High Schools (Nylca Vandillen), our work with the AACPS Stream Restoration Project (Hilary Catan), and our planned work with students in the Alternative Curriculum Class at BHS (Lisa Wolmerdorf). We have also hosted a teacher Professional Development Day at Goshen Farm for BHS. These are some of our efforts and they are just the beginning. Keep up with our education programs at [www/goshenfarm.org](http://www/goshenfarm.org).

So now you know it is no longer Goshen Farm. It is the Goshen Farm Historic Site and Education Center!

**Worship Service** - 9:00 AM on Sundays in the Sanctuary

**Children's Sunday School** - 9:00 AM Sundays. Kindergarten through 5th grade. After the Children's message in our worship service, the teachers take the students to their classroom. There they learn the stories of the Bible and participate in fun activities and create crafts that reinforce the lessons.

I have been asked many times to explain what Lent is all about and why do we have the season of Lent. For Christians, Lent is supposed to be a time for focusing on simple living practices, prayers, and fasting - all the things that draw people closer to God.

As you read this article, we are right in the middle of Lent. I pray that during this season, Christians might truly examine where they are in their faith journey - repenting of their wrongdoing and turning to God to re-focus on their relationship with Him. It's really not a time for giving up a special food, a special activity, a favorite drink, or anything that tends to distract you from truly experiencing the life you've been given. It's a trial run of changing your lifestyle - opening up to God and allowing Him to change your heart.

My prayer for everyone during this season of Lent which leads us right up to the holiest of holy experiences during Holy Week is that you may give up **something - anything** - that draws you away from your relationship with God. Replace that something with prayer, worship, or service in God's name. God works real miracles in those times of sacrifice and self-giving.

My prayers go with you and may God cover you with His loving guidance and strength.

Rev. Lys

## What do Cathy's Clients Say:

*"I chose Cathy to help sell my house in Cape St Claire because she knows the area better than any other Realtor. Cathy and her team were great to work with! She provided a professional staging service at no additional charge. She moved strategically and quickly. My house sold in just over two months in a time when other homes were not moving very well. Cathy was always accessible, considerate, and professional. I would not even think of using any other Realtor in Anne Arundel County. Cathy Gazzo is the BEST!"*

## Choosing the right agent is critical to your success.

You owe it to yourself to have every advantage in getting your home sold. It's important to work with an agent with the market knowledge and experience to position your home effectively. There is no agent who knows the Cape St. Claire market better. In addition to my knowledge and expertise, my respect and appreciation for our community runs deep. I've been a Cape St. Claire resident for over 25 years. My sons attend the Broadneck schools, play ball on the ball fields, and sail with the youth sailing camp. Perhaps you've seen me each year at my booth at the Strawberry Festival. I imagine you chose the Cape for many of the same reasons I did – for its beautiful beaches, water privileges, top notch schools, and its convenient shopping and commuting. When it comes to selling your Cape St. Claire home, you deserve an agent who appreciates the value of your home and can get it sold quickly and for top dollar.

## **Cathy Gazzo** **Agent. Advocate. Friend.**

**Your Agent.** You owe it to yourself to get your house sold quickly and for top dollar. Stack the odds in your favor with the kind of expert it takes to make it happen.

**Your Advocate.** Because in the complicated world of real estate you need an agent whose top priority is looking out for your best interests.

**Your Friend.** Because your agent must be someone who you are comfortable confiding in, someone who truly understands your unique situation, and someone who cares that your needs are met.
